Section 1: Executive Summary

This is the 15th Quarterly Report assessing the Maricopa County Sheriff's Office's (MCSO) compliance with the Hon. G. Murray Snow's October 2, 2013 Supplemental Permanent Injunction/Judgment Order (Doc. 606), as amended, and the Second Supplemental Permanent Injunction/Judgment Order (Doc. 1765), as amended. MCSO submits this Quarterly Report to comply with Paragraph 11 of the Court's Order.

MCSO is committed to achieving its goal of "Full and Effective Compliance" as the Court's Order defines it. The purpose of this Quarterly Report is to describe and document the steps MCSO has taken to implement the Court's Order, as well as MCSO's plans to correct any difficulties encountered in its implementation of the Court's Order. Lastly, this Quarterly Report includes responses to concerns raised in the Monitor's 14th Quarterly Report filed on February 13, 2017

Please note the reporting period for this report covers the fourth quarter of 2017 (October 1, 2017 – December 31, 2017). It is important to convey a few points:

- MCSO is a multifaceted and complex organization with over 3,300 compensated employees and hundreds of volunteers. MCSO's operations cover sworn law enforcement services as well as the care, custody, and control of an average of over 8,000 inmates in our jails on any given day.
- Pertaining to the First Supplemental Permanent Injunction/Order, compliance rates dropped slightly primarily due to MCSO's request to restore the community engagement responsibilities back to MCSO. The Monitor's 14th Quarterly Report, covering July 1 – Sept 30, 2017 reports the following:
 - Phase 1 compliance is 85% - a 3% decrease.
 - Phase 2 compliance is 62% - a 5% decrease.
 - The compliance chart from the Monitor's 14th Quarterly Report illustrates MCSO's compliance progress with the First Order:

Melendres Court Order Compliance Chart

The *Melendres* Court Order Compliance Chart (Appendix A) was developed from information provided in the Monitor's 14th Quarterly Report (covering the reporting period of July 1, 2017-September 30, 2017). This quarterly report from MCSO includes compliance ratings from the First and Second Supplemental Order issued by the Honorable G. Murray Snow. The Monitor rates MCSO compliance in two phases. Phase 1 compliance assessment entails a consideration of "whether requisite policies and procedures have been developed and approved and agency personnel have received documented training on their content." Phase 2 compliance is "generally considered operational implementation" and must comply "more than 94% of the time or in more than 94% of the instances being reviewed." The status of "deferred" is used in circumstances in which the Monitor is unable to fully determine compliance due to a lack of data or information or in situations where MCSO is fulfilling the requirements of the paragraph in practice, but has not yet published a formal policy memorializing the paragraph's requirements.

The Monitor assesses MCSO's compliance with 99 paragraphs of the First Order, and 114 paragraphs of the Second Order, for a total of 213 paragraphs. According to the Monitor's 14th Quarterly Report, MCSO is in Phase 1 compliance with 73 of the First Order Paragraphs and 78 of the Second Order paragraphs. MCSO is in Phase 2 compliance with 61 of the First Order paragraphs and 75 of the Second Order paragraphs. Factoring the requirements of both Court Orders, MCSO is in Phase 1 compliance with 151 paragraphs, 79% overall rating, and in Phase 2 compliance with 136 paragraphs, a 65% overall rating.

Please see Appendix A.

Melendres Compliance Highlights

The close of this rating period marks the first full year of Sheriff Penzone's administration as Sheriff of Maricopa County. When he took office in January 2017, Sheriff Penzone made structural changes at MCSO that emphasize his prioritization of compliance and integrity within the organization. He brought in a new Chief Deputy, created a Chief of Staff and Special Counsel position to assist with legal compliance in-house, created an executive chief position over compliance and created a Compliance Bureau, brought in a new executive chief of enforcement and split the patrol function between two deputy chiefs so there is better oversight. The Sheriff also brought in a new Community Outreach team and updated the Public Information team. The Community Outreach Division personnel immediately began working diligently to engage with the community and rebuild broken relationships between the community and MCSO. The Sheriff and MCSO staff have attended approximately 300 meetings and 150 events involving neighborhood associations, faith-based groups, community organizations, activists and other civic groups.

In 2017, MCSO hosted the MCSO Community Academy three times with 50 community members in attendance. Two of these academies were presented in English and one in Spanish. These are another great opportunity for the MCSO to receive feedback from those MCSO serves while giving insight into MCSO to those in attendance.

MCSO also continues to work with and receive feedback from several community advisory boards which were created at the direction of Sheriff Penzone to advise the agency on important matters that affect the community as well as be a voice to and for the communities they represent:

- SPEAR –Sheriff Penzone’s Executive Advisory Review. SPEAR is made up of diverse community members from all across the County.
- The Hispanic Advisory Board is made up of Dreamers, businesspeople, activists, educators, and community leaders.
- The Sheriff has also formed an African American Advisory Board and an LGBTQ Advisory Board
- The Community Advisory Board (CAB)
 - This quarter, is the first full quarter since Sheriff Penzone filed a motion with the Court to modify document 670, which pertains to community engagement, and was adopted by the Court on August 3, 2017. These changes are a demonstration of Sheriff Penzone’s commitment to the community members he serves and his dedication to rebuilding the community’s trust and confidence in the MCSO. The amended Order requires MCSO to be responsible for community engagement through the Community Outreach Division and the CAB. While Sheriff Penzone and MCSO realize these amendments require hard work and come with challenges, MCSO has prioritizes rebuilding a relationship with the community we serve. MCSO leadership has enjoyed working directly with the affected community and the new CAB to obtain community input into *Melendres*-related compliance.

On October 18, 2017, the Sheriff and MCSO hosted the quarterly community meeting pursuant to Document 670 at Taft Elementary School in Mesa, AZ. There was a marked increase in community attendance with over 250 people from the community attending. More community members participated in the meeting, which allowed meaningful and direct dialogue between the community and the Sheriff.

This quarter was extremely busy for the MCSO Training Division. After months of hard work and collaboration with the Monitor and the Parties, the Training Division delivered numerous Court Ordered related training courses such as:

- 2017 Supervisor Responsibility: Effective Law Enforcement (SRELE)
- 2017 Early Identification System (EIS)
- 4th & 14th Amendment Training /Bias Free Policing Annual Combined Training (ACT); and
- Misconduct Investigations Training / Complaint Intake Training

At the close of this reporting period, MCSO was nearing 100% completion for the Misconduct Investigations Training, EIS training, and Supervisor Responsibility: Effective Law Enforcement (SRELE) training. In 2017 the Training Division provided an estimated 43,433 hours of Court Order Related Training to MCSO staff members.

After much collaboration with the Monitor and Parties, on September 21st, the MCSO filed with the Court its stipulated Plan to Promote Constitutional Policing and actively began working on achieving the identified goals. This plan gives MCSO a roadmap to meet the expectations of the community and to be a leader in 21st Century Policing. Much of this rating period was spent exploring opportunities for the plan, implementing the various reforms and striving to achieve the identified goals. Recognized in the plan are the following goals the MCSO diligently strives to achieve:

- Implementing an effective Early Identification System with supervisor discussions: MCSO's Early Intervention Unit and Patrol Commanders will establish and deliver non-disciplinary conversations and interventions between patrol deputies and supervisors to discuss promotion of fair and impartial policing.
- Evaluating supervisors' performances: MCSO will ensure that supervisors are held accountable for deputy outcomes through the Employee Performance Appraisal process.
- Enhanced implicit bias training: MCSO will provide deputies and supervisors with enhanced cultural competency and implicit bias training and roll call briefings based on trends in traffic stop data.
- Enhanced fair and impartial decision-making training: MCSO will develop training and roll call briefing that addresses lawful factors to rely on when taking discretionary law enforcement action and the importance of the guardian mindset. The training and roll call briefing will also emphasize the idea that fair and impartial decision-making, and thus public safety, is promoted by working collaboratively with the local community.
- Enhanced training on cultural competency and community perspectives on policing: MCSO will provide deputies and supervisors with enhanced cultural competency training and roll call briefings based on community input.
- Improving traffic stop data collection and analysis: MCSO's Early Intervention Unit, Technology Bureau, and Patrol Commanders will assess MCSO's traffic stop data collection to ensure data collection is accurate and the nuances of deputy discretion are captured. MCSO will also implement metrics to evaluate improvement and success.
- Encouraging and commending employees' performance and service to community: MCSO will establish internal processes for commending employees who have contributed to the provision of constitutional and community-oriented policing services and have fostered a positive relationship with diverse communities. These commendations can include deputies who have been identified by supervisors as having compiled a positive record of constitutional policing or positive engagement with communities served on patrol and sergeants who have had particular success in carrying out interventions on EIS alerts, or who have a record of positive, hands-on supervision.
- Studying the Peer Intervention Program: Explore whether a peer intervention program modeled along the New Orleans Police Department's EPIC program would work for the MCSO. EPIC, "empowers and gives officers the strategies and tools they need to step in and prevent problems before they occur; and then protects those officers who have the courage to apply those strategies and tools in the field." A key purpose of the peer intervention program will be to reinforce an agency culture and mission in which an attitude of service to the

community and provision of constitutional policing services are seen as a critical component of good law enforcement.

- Building a workforce that provides constitutional and community-oriented policing and reflects the community we serve: MCSO will support best practices that result in the hiring and retention of personnel who believe in constitutional policing and working to define and deliver a vision of community safety that is shared by Maricopa County's diverse population.

The Bureau of Internal Oversight (BIO) assists the MCSO in its efforts to maintain and gain compliance by providing timely and professional auditing of MCSO personnel to assure compliance with the Orders. During this quarter, BIO completed the following inspections to verify compliance with the Order requirements and identify any deficiencies:

The Maricopa County Sheriff's Office is dedicated to achieving full and effective compliance with the Court's Orders. Compliance is a top priority for Sheriff Penzone and the leadership he has in place. All believe gaining full and effective compliance with the Orders is also the fastest way to ensure MCSO is deploying and following the current best police practices.

Section 2: Implementation Division & Internal Agency-Wide Assessment

General Comments regarding Court Implementation Division (CID)

MCSO has taken major steps to implement Section III of the Court Order. In October 2013, MCSO formed a division titled the Court Compliance and Implementation Division consistent with Paragraph 9. In February 2015, MCSO changed the name of this division to the Court Implementation Division (CID). The CID is currently comprised of twelve (12) MCSO personnel with interdisciplinary backgrounds and various ranks: 1 Captain, 1 Lieutenant, 6 Sergeants, 2 Deputies, 1 Management Assistant, and 1 Administrative Assistant. Lieutenant Frank McWilliams is assigned the role of single point of contact with the Court and the Monitor, although MCSO's legal team and MCSO's upper Command Staff also communicate with the Monitor Team and parties as needed. CID coordinates site visits and other activities with each of the parties, as the Court Order requires. Members of CID work very closely with MCSO counsel and MCSO Command Staff to ensure that MCSO maintains a sustained effort to achieve its goal of full and effective compliance with the Court's Orders.

Document Production

The CID is responsible for facilitating data collection and document production. During the subject three month period of this report, CID responded to three large document requests (See Table #1.). In addition to the document requests, CID facilitates the production of training materials and policies and procedures to the Monitor for review and approval. As a reflection of MCSO's efforts to achieve full and effective compliance with the Order, CID, through MCSO counsel, produced approximately 96,468 pages of documents during the three month period of October 1, 2017 to December 31, 2017 alone.

Compliance with the Court's Order and Monitor's requests truly comprises a monumental task that those without involvement could not possibly comprehend. Yet MCSO readily accepts its responsibilities to achieve full and effective compliance with the Court's Order.

The CID enjoys and strives to continue and foster a positive working relationship with the Monitor and parties. This positive attitude continues to be reflected in MCSO's continued collaboration with the Monitor and parties in Technical Assistance meetings. In addition, CID has helped with the transition of the quarterly community meeting being hosted by the Monitor to MCSO hosting the meetings. CID is committed to its vital role in the reform process and reaching MCSO Command Staff's directive and sincere goal to be in full and effective compliance.

Consistent with the Court Order, Paragraph 31 requirements regarding MCSO personnel's receipt and comprehension of the policies and procedures, MCSO implemented the E-Policy system in January 2015. MCSO utilizes the system to distribute and require attestation of all Briefing Boards and published policies. The E-Policy system memorializes and tracks employee compliance with the required reading of MCSO Policy and Procedures, employee acknowledgement that he or she understands the subject policies and procedures and employee expression of his or her agreement to abide by the requirements of the policies and procedures. MCSO provides the Critical, Detention, Enforcement, and General Policies via E-Policy as a resource for all MCSO personnel.

During the subject three month reporting period, MCSO used the E-Policy system to distribute and obtain attestation of twelve (12) policies. This includes ten (10) policies related to the Court Order.

Paragraph 19. *To further the goals in this Order, the MCSO shall conduct a comprehensive review of all Patrol Operations Policies and Procedures and make appropriate amendments to ensure that they reflect the Court's permanent injunction and this Order.*

MCSO is in Phase 1 compliance with Paragraph 19. Phase 2 compliance is deferred.

MCSO thanks the Monitor for continued guidance identifying steps needed to gain Phase 2 compliance with this Paragraph. CID continues to work with the Monitor regarding compliance with this paragraph and is very hopeful that it will gain Phase 2 compliance in the next quarter.

In order to gain Phase 2 compliance MCSO identified 2 policies that required changes to be in compliance with the First Court Order. Those policies are as follows:

- ED-3, *Review of Cases Declined for Prosecution*
- GJ-3, *Search and Seizure*

Both Policies are currently under review

MCSO has completed a comprehensive review of all Patrol Operations Policies and Procedures and have found them to be in compliance with the Second Court Order.

- prohibit the selection or rejection of particular policing tactics or strategies or locations based to any degree on race or ethnicity;*
- specify that the presence of reasonable suspicion or probable cause to believe an individual has violated a law does not necessarily mean that an officer's action is race- neutral; and*
- include a description of the agency's Training requirements on the topic of racial profiling in Paragraphs 48–51, data collection requirements (including video and audio recording of stops as set forth elsewhere in this Order) in Paragraphs 54–63 and oversight mechanisms to detect and prevent racial profiling, including disciplinary consequences for officers who engage in racial profiling.*

MCSO is in Phase 1 compliance with Paragraph 21. Phase 2 compliance is not applicable.

Paragraph 22. *MCSO leadership and supervising deputies and detention officers shall unequivocally and consistently reinforce to subordinates that discriminatory policing is unacceptable. MCSO is in Phase 1 and Phase 2 compliance with Paragraph 22.*

MCSO is in Phase 1 and Phase 2 compliance with Paragraph 22. MCSO utilizes monthly supervisor note inspections, facility and vehicle inspections, email and CAD inspections, and quarterly bias free reinforcement inspections to demonstrate that MCSO leadership unequivocally and consistently reinforces to subordinates that discriminatory policing is unacceptable.

To this end, during the subject reporting quarter, MCSO's Bureau of Internal Oversight (BIO) found the following compliance rates for the related inspections:

On September 11, 2017, the new Sheriff's Intelligence Leads and Operations Unit (SILO) became fully operational. This unit is guided by MCSO Policy GI-7, *Processing of Bias-Free Tips*, which was published on August 23, 2017.

For this quarterly rating period the SILO unit received and logged 676 tips.

MCSO does not rely on any information received from the public, including information received through any hotline, by mail, email, phone, or in person, unless the information contains evidence of a crime that can be independently corroborated by MCSO.

Paragraph 25. The MCSO will revise its policy or policies relating to traffic enforcement to ensure that those policies, at a minimum:

- h. provide Deputies with a list and/or description of forms of identification deemed acceptable for drivers and passengers (in circumstances where identification is required of them) who are unable to present a driver's license or other state-issued identification; and
- i. instruct Deputies that they are not to ask for the Social Security number or card of any motorist who has provided a valid form of identification, unless it is needed to complete a citation or report.

MCSO is in Phase 1 compliance. According to the Monitor's 14th Quarterly Report **MCSO achieved Phase 2 compliance.**

Paragraph 26. The MCSO shall revise its policy or policies relating to Investigatory Detentions and arrests to ensure that those policies, at a minimum:

MCSO remains in Phase 1 and Phase 2 compliance with Paragraph 26.

Paragraph 27. *The MCSO shall remove discussion of its LEAR Policy from all agency written Policies and Procedures, except that the agency may mention the LEAR Policy in order to clarify that it is discontinued.*

MCSO remains in Phase 1 and Phase 2 compliance with Paragraph 27.

- f. *unless the officer has reasonable suspicion that the person is in the country unlawfully and probable cause to believe the individual has committed or is committing a crime, the MCSO shall prohibit officers from (a) questioning any individual as to his/her alienage or immigration status; (b) investigating an individual's identity or searching the individual in order to develop evidence of unlawful status; or (c) detaining an individual while contacting ICE/CBP with an inquiry about immigration status or awaiting a response from ICE/CBP. In such cases, the officer must still comply with Paragraph 25(g) of this Order.*

Notwithstanding the foregoing, an officer may (a) briefly question an individual as to his/her alienage or immigration status; (b) contact ICE/CBP and await a response from federal authorities if the officer has reasonable suspicion to believe the person is in the country unlawfully and reasonable suspicion to believe the person is engaged in an Immigration-Related Crime for which unlawful immigration status is an element, so long as doing so does not unreasonably extend the stop in violation of Paragraph 25(g) of this Order;

- g. prohibit Deputies from transporting or delivering an individual to ICE/CBP custody from a traffic stop unless a request to do so has been voluntarily made by the individual;*
- h. require that, before any questioning as to alienage or immigration status or any contact with ICE/CBP is initiated, an officer checks with a Supervisor to ensure that the circumstances justify such an action under MCSO policy and receive approval to proceed. MCSO remains in Phase 1 and Phase 2 compliance with Paragraph 28.

Paragraph 29. MCSO Policies and Procedures shall define terms clearly, comply with applicable law and the requirements of this Order, and comport with current professional standards.

MCSO remains in Phase 2 compliance with Paragraph 29 (Phase 1 is not applicable).

Paragraph 30. Unless otherwise noted, the MCSO shall submit all Policies and Procedures and amendments to Policies and Procedures provided for by this Order to the Monitor for review within 90 days of the Effective Date pursuant to the process described in Section IV. These Policies and Procedures shall be approved by the Monitor or the Court prior to their implementation.

Phase 1 compliance is not applicable to Paragraph 30. MCSO remains in Phase 2 compliance.

Paragraph 31. Within 60 days after such approval, MCSO shall ensure that all relevant MCSO Patrol Operation Personnel have received, read, and understand their responsibilities pursuant to the Policy or Procedure. The MCSO shall ensure that personnel continue to be regularly notified of any new Policies and Procedures or changes to Policies and Procedures. The Monitor shall assess and report to the Court and the Parties on whether he/she believes relevant personnel are provided sufficient notification of and access to, and understand each policy or procedure as necessary to fulfill their responsibilities.

MCSO remains in Phase 1 and Phase 2 compliance with Paragraph 31.

Consistent with the Court Order, Paragraph 31 requirements regarding MCSO personnel's receipt and comprehension of the policies and procedures, MCSO implemented the E-Policy system in January 2015.

During the subject three month reporting period, MCSO used the E-Policy system to distribute and obtain attestation of twelve (12) policies. This includes ten (10) policies related to the Court Order.

Paragraph 32. The MCSO shall require that all Patrol Operation personnel report violations of policy; that Supervisors of all ranks shall be held accountable for identifying and responding to policy or procedure violations by personnel under their command; and that personnel be held accountable for policy and procedure violations. The MCSO shall apply policies uniformly.

MCSO is in Phase 1 compliance with Paragraph 32.

Based on the Monitor's 14th Quarterly Report, MCSO is not in Phase 2 compliance with Paragraph 32. MCSO continues to work toward Phase 2 compliance. During this rating period, MCSO delivered the 40 hour PSB Misconduct Investigation training to MCSO supervisors. At the end of this reporting period, 97% of supervisors had attended and successfully passed this training. It is believed this training will address the deficiencies noted by the Monitor, subsequently resulting in better investigations which should result in Phase 2 compliance in the coming quarter.

Paragraph 33. *MCSO Personnel who engage in Discriminatory Policing in any context will be subjected to administrative Discipline and, where appropriate, referred for criminal prosecution. MCSO shall provide clear guidelines, in writing, regarding the disciplinary consequences for personnel who engage in Discriminatory Policing.*

Based on the Monitor's 14th Quarterly Report, **MCSO is in Phase 1 compliance**; however Phase 2 compliance was withdrawn.

The Monitor's 14th Draft Quarterly Report states, "We noted during this reporting period that in two cases, an investigative error occurred. In both cases, this involved the failure to conduct, or attempt to conduct, all interviews. While we do not believe that in either case, conducting those interviews would have resulted in different findings, MCSO must be more diligent in ensuring that all investigative and documentation requirements are met."

MCSO believes the investigative error noted is more appropriately applicable to Paragraph 200 D which states, "In each misconduct investigation, investigators shall: d. make reasonable attempts to locate and interview all witnesses, including civilian witnesses;"

MCSO policy strictly prohibits discriminatory policing and clearly outlines the consequences for personnel who engage in discriminatory policing. Complaints alleging discriminatory policing are investigated and any employee found responsible for such conduct will be disciplined in accordance with established MCSO policy. MCSO has and will continue to investigate all allegations of discriminatory policing. When a sustained finding has been made in the past, appropriate discipline was issued and additional training needs were assessed.

MCSO's practices comport with the requirements of this paragraph and should be re-issued Phase 2 compliance.

Paragraph 34. *MCSO shall review each policy and procedure on an annual basis to ensure that the policy or procedure provides effective direction to MCSO Personnel and remains consistent with this Order, current law and professional standards. The MCSO shall document such annual review in writing. MCSO also shall review Policies and Procedures as necessary upon notice of a policy deficiency during audits or reviews. MCSO shall revise any deficient policy as soon as practicable.*

MCSO is in Phase 1 and Phase 2 compliance with Paragraph 34.

Any Significant Operations or Patrols thereafter must be in accordance with the approved template and instructions.*

MCSO is in Phase 1 and Phase 2 compliance with Paragraph 37.

(Note: Amendments to paragraphs 38 and 39 were ordered on August 03, 2017, reference document 2100.

MCSO is in Phase 1 and Phase 2 compliance with Paragraph 38.

On August 3, 2017, the Court ordered the above noted amendments to paragraphs 38 and 39 at the request of MCSO.

MCSO policy GJ-33, Significant Operations, effective date 11-18-15, incorporates the language of this paragraph. MCSO did not conduct any significant operations that invoked the requirements of this paragraph.

MCSO is in Phase 1 and Phase 2 compliance with Paragraph 39.

Paragraph 40. *The MCSO shall notify the Monitor and Plaintiffs within 24 hours of any immigration related traffic enforcement activity or Significant Operation involving the arrest of 5 or more people unless such disclosure would interfere with an on-going criminal investigation in which case the notification shall be provided under seal to the Court, which may determine that disclosure to the Monitor and Plaintiffs would not interfere with an on-going criminal investigation. In any event, as soon as disclosure would no longer interfere with an on-going criminal investigation, MCSO shall provide the notification to the Monitor and Plaintiffs. To the extent that it is not already covered above by Paragraph 38, the Monitor and Plaintiffs may request any documentation related to such activity as they deem reasonably necessary to ensure compliance with the Court's orders.*

MCSO is in Phase 1 and Phase 2 compliance with Paragraph 40.

MCSO is in Phase 1 and Phase 2 compliance with Paragraph 42.

In response to recommendations provided by the Monitors in the 13th Quarterly Report, MCSO has developed and implemented a “field survey review process” in accordance with Step 6 of the Training Development Cycle and GG-1. Reviews are completed by the Sworn Court Ordered Related Training (CORT) supervisor and recorded via memorandum and filed with the appropriate lesson plan under review.

The MCSO Training Division also intends to implement the recommendation that instructors teach segments of the Train the Trainer courses for various curriculums in 2018.

Paragraph 43. *The Training shall include at least 60% live training (i.e., with a live instructor) which includes an interactive component and no more than 40% on-line training. In response to Monitor concerns and recommendations in the 14th Quarterly Report, MCSO has reviewed the Master Training Calendar and is in the process of altering how training is recorded into the calendar and how the calendar is published to ensure better accuracy.

At the end of this reporting period, MCSO reports that there are 693 sworn members, 21 reserve members, 25 retired reserve members, and 615 Posse personnel required Order-related training. These categories vary by reporting period, as a result of the attrition in the organization.

Paragraph 45. *The Training may incorporate adult-learning methods that incorporate roleplaying scenarios, interactive exercises, as well as traditional lecture formats.*

Phase 1 compliance is not applicable to Paragraph 45. **MCSO is in Phase 2 compliance.**

MCSO will provide any documentation requested by the Monitor to enable the Monitor to assess MCSO's continued compliance with the Paragraph.

MCSO Training has incorporated adult-learning methods that include roleplaying scenarios (if appropriate), interactive exercises (if appropriate), and traditional lecture. The MCSO Training Division works with the Monitor and Parties to develop Court related Training curriculum including deciding what appropriate adult learning methods should be incorporated in specific Training curriculum.

MCSO will continue to work with the Monitor and parties to ensure that acceptable adult learning methods are incorporated in Order related Training, allowing MCSO to maintain compliance with this paragraph.

Paragraph 46. *The curriculum and any materials and information on the proposed instructors for the Training provided for by this Order shall be provided to the Monitor within 90 days of the Effective Date for review pursuant to the process described in Section IV. MCSO finalized the curriculum for the 2017 “Supervisor Responsibility: Effective Law Enforcement (SRELE)” course during the third quarter of 2017. The Training Division began delivering this training at the end of September 2017. This course was offered 3 times in October to 66 students (65 Sworn and 1 Civilian). One (1) student required remediation and was successful. The course was not offered in November or December.

The Training required by the Second Supplemental Order is delineated in Paragraphs 178-182. Please refer to those Paragraph summaries later in this report for updates on PSB/Misconduct related Training.

Section 6: Traffic Stop Documentation and Data Collection

General Comments regarding Traffic Stop Documentation and Data Collection

Between October 01, 2017 and December 31, 2017, the BIO conducted three (3) traffic stop related inspections to comply with Paragraph 64 of the Court's Order. The Traffic Stop Data Collection inspection reviews monthly traffic stop data to ensure compliance with Office policy and paragraphs 54-57 of the Court Order. This inspection is based on paragraph 64 of the Court's Order and is conducted using the traffic stop data sample that is randomly chosen by the Monitor Team. This inspection ensures that MCSO: a) collected all traffic stop data to comply with MCSO Policy, EB-2, Traffic Stop Data Collection; b) accurately completed all forms associated to traffic stops; c) closed and validated all TraCS forms; and d) used the correct CAD codes and sub codes. The fourth quarter of 2017 had an overall compliance rate of 86%. The monthly compliance rates were 91% for October, 88% for November, and 80% for December. This is up 2% from the overall third quarter 2017 compliance rate. With the implementation of body worn cameras, the AIU's inspection matrix increased beyond the scope of the *Melendres* Court Order or Court Monitors, giving some explanation for the compliance rates.

MCSO implemented a system that allows deputies to input traffic stop data electronically. All of the approximately one hundred-eighty (180) marked patrol vehicles assigned to the Patrol Bureau are equipped with the electronic equipment, including the TraCS system, to capture the traffic stop data that Paragraph 54 requires, and issued a contact receipt to the vehicle occupants.

As of May 16, 2016, body-worn cameras were assigned to and deployed with all patrol deputies.

During this reporting period, MCSO changed the TraCS system to more accurately track data. MCSO made the following changes:

Table 5: Summary of TraCS Changes

Paragraph 54. *Within 180 days of the Effective Date, MCSO shall develop a system to ensure that Deputies collect data on all vehicle stops, whether or not they result in the issuance of a citation or arrest. This system shall require Deputies to document, at a minimum:*

- a. the name, badge/serial number, and unit of each Deputy and posse member involved;*
- b. the date, time and location of the stop, recorded in a format that can be subject to geocoding;*
- c. the license plate state and number of the subject vehicle;*
- d. the total number of occupants in the vehicle;*
- e. the Deputy's subjective perceived race, ethnicity and gender of the driver and any passengers, based on the officer's subjective impression (no inquiry into an occupant's ethnicity or gender is required or permitted);*
- f. the name of any individual upon whom the Deputy runs a license or warrant check (including subject's surname);*
- g. an indication of whether the Deputy otherwise contacted any passengers, the nature of the contact, and the reasons for such contact;*
- h. the reason for the stop, recorded prior to contact with the occupants of the stopped vehicle, including a description of the traffic or equipment violation observed, if any, and any indicators of criminal activity developed before or during the stop;*
- i. time the stop began; any available data from the E-Ticketing system regarding the time any citation was issued; time a release was made without citation; the time any arrest was made; and the time the stop/detention was concluded either by citation, release, or transport of a person to jail or elsewhere or Deputy's departure from the scene;*

- j. *whether any inquiry as to immigration status was conducted and whether ICE/CBP was contacted, and if so, the facts supporting the inquiry or contact with ICE/CBP, the time Supervisor approval was sought, the time ICE/CBP was contacted, the time it took to complete the immigration status investigation or receive a response from ICE/CBP, and whether ICE/CBP ultimately took custody of the individual;*
- k. *whether any individual was asked to consent to a search (and the response), whether a probable cause search was performed on any individual, or whether a pat-and-frisk search was performed on any individual;*
- l. *whether any contraband or evidence was seized from any individual, and nature of the contraband or evidence; and*
- m. *the final disposition of the stop, including whether a citation was issued or an arrest was made or a release was made without citation.*

MCSO is in Phase 1 compliance with this Paragraph. MCSO is not in Phase 2 compliance. MCSO needs to re-gain compliance with subsections e and k of Paragraph 54 to achieve Phase 2 compliance.

Paragraph 54 – Subsection “e” involves accurately reporting post stop perceived race/ethnicity of drivers and passenger. The Monitor stated in the 13th Quarterly Report, *“For this reporting period, we continue to defer our compliance assessment due to numerous Vehicle Stop Contact Forms we reviewed that indicate the underreporting of Latino drivers and the underreporting of the perceived gender and ethnicity of passengers.”*

When this issue was initially identified MCSO collaborated with the Monitor and Parties to develop training and briefing material which was incorporated into the 2017 SRELE (Supervisor Responsibility: Effective Law Enforcement) Training to be delivered to all MCSO sworn supervisors. All sworn supervisors who attended received the agreed upon briefing material which includes a traffic stop video to present to their patrol squads. MCSO believes this adequately addressed the Monitor and parties concerns and will correct the misidentification of drivers and passengers. MCSO continues to evaluate deputies’ compliance with this subparagraph.

Paragraph 54 – Subsection “k” requires MCSO to document whether any individual was asked to consent to a search (and the response), whether a probable-cause search was performed on any individual, or whether a pat-and-frisk search was performed on any individual. MCSO policy GJ-3, *Search and Seizure*, is currently under revision as well as a Monitor approved English and Spanish Consent to Search form.

Paragraph 55. *MCSO shall assign a unique ID for each incident/stop so that any other documentation (e.g., citations, incident reports, tow forms) can be linked back to the stop.*

MCSO is in Phase 1 and Phase 2 compliance with Paragraph 55.

Paragraph 56. *The traffic stop data collection system shall be subject to regular audits and quality control checks. MCSO shall develop a protocol for maintaining the integrity and accuracy of the traffic stop data, to be reviewed by the Monitor pursuant to the process described in Section IV.*

MCSO is not in Phase 1 or Phase 2 compliance.

The Monitor determined MCSO was no longer in Phase 2 Compliance due to an issue that MCSO identified related to a variable used to identify the district where the stop occurred. MCSO and the

parties entered into a stipulation agreement as required by Order No. 2013 on how to verify the data and address the variable issue and re-run the previous 2 annual reports.

The MCSO is diligently working to complete the EIU Operations Manual which memorializes the agreed upon protocols. After the relevant sections of the EIU Operations Manual is completed and approved, the MCSO should achieve compliance with this paragraph.

Paragraph 57. *MCSO shall explore the possibility of relying on the CAD and/or MDT systems to check if all stops are being recorded and relying on on-person recording equipment to check whether Deputies are accurately reporting stop length. In addition, MCSO shall implement a system for Deputies to provide motorists with a copy of non-sensitive data recorded for each stop (such as a receipt) with instructions for how to report any inaccuracies the motorist believes are in the data, which can then be analyzed as part of any audit. The receipt will be provided to motorists even if the stop does not result in a citation or arrest.*

MCSO is in Phase 1 and Phase 2 compliance with Paragraph 57.

Paragraph 58. *The MCSO shall ensure that all databases containing individual-specific data comply with federal and state privacy standards governing personally-identifiable information. MCSO shall develop a process to restrict database access to authorized, identified users who are accessing the information for a legitimate and identified purpose as defined by the Parties. If the Parties cannot agree, the Court shall make the determination.*

MCSO is in Phase 1 and Phase 2 compliance with Paragraph 58.

Paragraph 59. *Notwithstanding the foregoing, the MCSO shall provide full access to the collected data to the Monitor and Plaintiffs' representatives, who shall keep any personal identifying information confidential. Every 180 days, MCSO shall provide the traffic stop data collected up to that date to the Monitor and Plaintiffs' representatives in electronic form. If proprietary software is necessary to view and analyze the data, MCSO shall provide a copy of the same. If the Monitor or the Parties wish to submit data with personal identifying information to the Court, they shall provide the personally identifying information under seal.*

Phase 1 compliance for Paragraph 59 is not applicable. **MCSO is in Phase 2 compliance with Paragraph 59.**

Paragraph 60. *Within one year of the Effective Date, the MCSO shall develop a system by which Deputies can input traffic stop data electronically. Such electronic data system shall have the capability to generate summary reports and analyses, and to conduct searches and queries.*

MCSO will explore whether such data collection capability is possible through the agency's existing CAD and MDT systems, or a combination of the CAD and MDT systems with a new data collection system. Data need not all be collected in a single database; however, it should be collected in a format that can be efficiently analyzed together. Before developing an electronic system, the MCSO may collect data manually but must ensure that such data can be entered into the electronic system in a timely and accurate fashion as soon as practicable.

MCSO is Phase 1 and Phase 2 compliance with Paragraph 60.

Paragraph 61. *The MCSO will issue functional video and audio recording equipment to all patrol deputies and sergeants who make traffic stops, and shall commence regular operation and maintenance of such video and audio recording equipment. Such installation must be complete within 120 days of the approval of the policies and procedures for the operation, maintenance, and data storage for such on-person body cameras and approval of the purchase of such equipment*

and related contracts by the Maricopa County Board of Supervisors. Subject to Maricopa County code and the State of Arizona's procurement law, The Court shall choose the vendor for the video and audio recording equipment if the Parties and the Monitor cannot agree on one.

MCSO is in Phase 1 and Phase 2 compliance with Paragraph 61.

Paragraph 62. *Deputies shall turn on any video and audio recording equipment as soon the decision to initiate the stop is made and continue recording through the end of the stop. MCSO shall repair or replace all non-functioning video or audio recording equipment, as necessary for reliable functioning. Deputies who fail to activate and to use their recording equipment according to MCSO policy or notify MCSO that their equipment is nonfunctioning within a reasonable time shall be subject to Discipline.*

MCSO is in Phase 1 compliance with Paragraph 62. MCSO is not in Phase 2 compliance.

As of May 16, 2016, all personnel required to utilize a body-worn camera have been issued cameras and they are in use office wide. MCSO is working to gain Phase 2 compliance with this paragraph. The Monitor's 14th quarterly report verifies that MCSO Deputies activated their cameras 92% of the time (based on Monitor's sample). MCSO Deputies must activate their cameras appropriately at least 94% of the time to gain Phase 2 compliance.

Paragraph 63. *MCSO shall retain traffic stop written data for a minimum of 5 years after it is created, and shall retain in-car camera recordings for a minimum of 3 years unless a case involving the traffic stop remains under investigation by the MCSO or the Monitor, or is the subject of a Notice of Claim, civil litigation or criminal investigation, for a longer period, in which case the MCSO shall maintain such data or recordings for at least one year after the final disposition of the matter, including appeals. MCSO shall develop a formal policy, to be reviewed by the Monitor and the Parties pursuant to the process described in Section IV and subject to the District Court, to govern proper use of the on-person cameras; accountability measures to ensure compliance with the Court's orders, including mandatory activation of video cameras for traffic stops; review of the camera recordings; responses to public records requests in accordance with the Order and governing law; and privacy protections. The MCSO shall submit such proposed policy for review by the Monitor and Plaintiff's counsel within 60 days of the Court's issuance of an order approving the use of on-body cameras as set forth in this stipulation. The MCSO shall submit a request for funding to the Maricopa County Board of Supervisors within 45 days of the approval by the Court or the Monitor of such policy and the equipment and vendor(s) for such on-body cameras.*

MCSO is in Phase 1 and Phase 2 compliance with Paragraph 63.

Paragraph 64. *Within 180 days of the Effective Date, MCSO shall develop a protocol for periodic analysis of the traffic stop data described above in Paragraphs 54 to 59 ("collected traffic stop data") and data gathered for any Significant Operation as described in this Order ("collected patrol data") to look for warning signs or indicia or possible racial profiling or other improper conduct under this Order.*

Based on the Monitor's 14th Quarterly Report, MCSO is not in Phase 1 or Phase 2 compliance with this paragraph.

In Order to achieve Phase 1 compliance, the following policies must be finalized:

- GH-4, *Bureau of Internal Oversight* (Updated BB1718)

- GH-5, *Early Identification System (EIS)* (Published March 24, 2017)
- EIU Operations Manual (Currently Under Revision)

MCSO must receive approval for and publish the EIU Operations Manual to obtain Phase 1 compliance.

The first draft of the EIU Operations Manual was sent to the Monitor and Parties on April 24, 2017. The Monitor sent the combined comments on the EIU Operations Manual to MCSO on May 30, 2017. MCSO submitted the second draft of the EIU Operations Manual to the Monitor and Parties in September 2017. The Monitor sent the combined comments on the EIU Operations Manual to MCSO on October 10, 2017. MCSO continues to work on addressing the comments and resubmitting the EIU Operations Manual for review. Several comments and revisions were discussed during the October 2017 Monitor Site Visit. It should be noted that a section of the EIU Operations Manual revolves around the monthly traffic stop analysis process.

In April 2017, the monthly benchmarks previously approved by the Monitor Team for compliance with the Court Order were implemented and utilized to generate EIS alerts that were sent to supervisors for the purpose of an intervention. This process was done in accordance with the approved MCSO EIS Project Plan. In May 2017, MCSO noticed a high frequency of EIS alerts being generated from the approved methodology. In response, MCSO drafted and submitted an additional three step vetting process to the Monitor Team. The Monitor Team approved the proposed vetting process and the EIS alerts resumed. During the July 2017 Monitor Site Visit, the Monitor Team requested that all monthly benchmarks and the EIS alerts associated with them be placed on hold under further evaluation by the Monitor Team and Parties could take place.

These benchmarks continue to be assessed by all Parties and once finalized will be revised accordingly in the EIU Operations Manual and scheduled for implementation.

MCSO will continue to work on achieving compliance with this paragraph.

Paragraph 65. MCSO shall designate a group with the MCSO Implementation Unit, or other MCSO Personnel working under the supervision of a Lieutenant or higher-ranked officer, to analyze the collected data on a monthly, quarterly and annual basis, and report their findings to the Monitor and the Parties. This review group shall analyze the data to look for possible individual-level, unit-level or systemic problems. Review group members shall not review or analyze collected traffic stop data or collected patrol data relating to their own activities.

MCSO is in Phase 1 compliance. MCSO is not in Phase 2 compliance with this paragraph.

To achieve Phase 2 compliance, the Monitor indicates MCSO must successfully implement monthly, quarterly, and annual analysis of traffic stop data.

As reported during the first quarter of 2017, MCSO identified a traffic stop data analysis problem and has worked with the Monitor, Parties, and Arizona State University to identify and implement a solution. The solution required a data validation process and a re-analysis of the annual report for data year 2015-2016.

In response to the findings in the 2nd Annual Traffic Stop Report and through the technical assistance process, MCSO worked collaboratively with the Monitor and Parties to establish a supervisory intervention process. The supervisory intervention process is a mechanism to address individual deputies identified in the annual analysis to potentially be involved in biased based traffic stop activity. The technical assistance process utilized two different pilot test groups

consisting of a total of 12 supervisors. The supervisory intervention process was subsequently adjusted by the technical assistance team based upon the feedback and response of the two pilot groups. The technical assistance team discussed this process in length during the October 2017 Monitor Site Visit and scheduled to finalize supervisory discussion process for the remaining deputies identified in the annual analysis. The finalized supervisory intervention process is currently underway.

The monthly analysis is currently on hold at the direction of the Monitor. For further information on the monthly analysis, please refer to the summary for Paragraph 64.

The first drafted quarterly analysis report for data period (July 2016 – September 2016) was generated in early 2017. However, the quarterly report was negatively impacted by the same data analysis problem identified for the annual analysis report mentioned above. Upon correction of the annual report, the data analysis problem for quarterly analysis report was also corrected. A draft was produced to MCSO, and the final version is under development. The quarterly analysis process including the results were discussed during the October 2017 Monitor Site Visit. MCSO, in collaboration with the Monitor Team and ASU, are currently working on a schedule including future topics in preparation to resume the quarterly analysis process for 2018.

Paragraph 66. MCSO shall conduct one agency-wide comprehensive analysis of the data per year, which shall incorporate analytical benchmarks previously reviewed by the Monitor pursuant to the process described in Section IV. The benchmarks may be derived from the EIS or IA-PRO system, subject to Monitor approval. The MCSO may hire or contract with an outside entity to conduct this analysis. The yearly comprehensive analysis shall be made available to the public and at no cost to the Monitor and Plaintiffs.

MCSO is in Phase 1 compliance. MCSO is not in Phase 2 compliance.

As reported during the first quarter of 2017, MCSO identified a traffic stop data analysis problem and has worked with the Monitor, Parties, and Arizona State University to identify and implement a solution. The solution required a data validation process and a re-analysis of the annual report for data year 2015-2016.

In response to the findings in the 2nd Annual Traffic Stop Report and through the technical assistance process, MCSO worked collaboratively with the Monitor and Parties to establish a supervisory intervention process. The supervisory intervention process is a mechanism to address individual deputies identified in the annual analysis to potentially be involved in biased based traffic stop activity. The technical assistance process utilized two different pilot test groups consisting of a total of 12 supervisors. The supervisory intervention process was subsequently adjusted by the technical assistance team based upon the feedback and response of the two pilot groups. The technical assistance team discussed this process in length during the October 2017 Monitor Site Visit and scheduled to finalize supervisory discussion process for the remaining deputies identified in the annual analysis. The finalized supervisory intervention process is currently underway.

Paragraph 67. *In this context, warning signs or indicia of possible racial profiling or other misconduct include, but are not limited to:*

- a. racial and ethnic disparities in deputies', units' or the agency's traffic stop patterns, including disparities or increases in stops for minor traffic violations, arrests following a traffic stop, and immigration status inquiries, that cannot be explained by statistical modeling of race neutral factors or characteristics of deputies' duties, or racial or ethnic disparities in traffic stop patterns when compared with data of deputies' peers;*
- b. evidence of extended traffic stops or increased inquiries/investigations where investigations involve a Latino driver or passengers;*
- c. a citation rate for traffic stops that is an outlier when compared to data of a Deputy's peers, or a low rate of seizure of contraband or arrests following searches and investigations;*
- d. indications that deputies, units or the agency is not complying with the data collection requirements of this Order; and*
- e. other indications of racial or ethnic bias in the exercise of official duties.*

MCSO is in Phase 1 and Phase 2 compliance is deferred.

MCSO will continue to work collaboratively with the parties to refine the methodology to address the unworkably high number of monthly alerts.

Paragraph 68. *When reviewing collected patrol data, MCSO shall examine at least the following:*

- a. the justification for the Significant Operation, the process for site selection, and the procedures followed during the planning and implementation of the Significant Operation;*
- b. the effectiveness of the Significant Operation as measured against the specific operational objectives for the Significant Operation, including a review of crime data before and after the operation;*
- c. the tactics employed during the Significant Operation and whether they yielded the desired results;*
- d. the number and rate of stops, Investigatory Detentions and arrests, and the documented reasons supporting those stops, detentions and arrests, overall and broken down by Deputy, geographic area, and the actual or perceived race and/or ethnicity and the surname information captured or provided by the persons stopped, detained or arrested;*
- e. the resource needs and allocation during the Significant Operation; and*
- f. any Complaints lodged against MCSO Personnel following a Significant Operation.*

MCSO is in Phase 1 and Phase 2 compliance with Paragraph 68.

Paragraph 69. *In addition to the agency-wide analysis of collected traffic stop and patrol data, MCSO Supervisors shall also conduct a review of the collected data for the Deputies under his or her command on a monthly basis to determine whether there are warning signs or indicia of possible racial profiling, unlawful detentions and arrests, or improper enforcement of Immigration-Related Laws by a Deputy. Each Supervisor will also report his or her conclusions based on such review on a monthly basis to a designated commander in the MCSO Implementation Unit.*

MCSO is in Phase 1 compliance with Paragraph 69.

Based on the Monitor's 14th Quarterly Report, MCSO is not in Phase 2 compliance with this paragraph.

During this quarter, the EIS Lesson Plan, along with a proposed methodology and process to meet the requirements of this paragraph was reviewed by all Parties and approved by the Monitor Team. The proposed methodology educated supervisors on how to utilize the EIS to conduct and document review of collected data for the deputies under their supervision.

The EIS Training for all supervisors began in September 2017 and concluded in November of 2017. Following the train-the-trainer session of the EIS Training, discussions transpired among the MCSO, the Parties, and the Monitor Team. One area of discussion revolved around the previously approved training segment pertaining to the methodology for this paragraph. It was requested to remove this section from the current EIS Training Curriculum and revisit it at a later date. The requested section was removed from the EIS Training Curriculum and MCSO anticipates revisiting this once the monthly traffic stop analysis processes are approved and finalized.

Through collaboration with the Parties and the Monitor, MCSO will continue to make changes in order to meet the requirements of this paragraph.

Paragraph 70. *If any one of the foregoing reviews and analyses of the traffic stop data indicates that a particular Deputy or unit may be engaging in racial profiling, unlawful searches or seizures, or unlawful immigration enforcement, or that there may be systemic problems regarding any of the foregoing, MCSO shall take reasonable steps to investigate and closely monitor the situation. Interventions may include but are not limited to counseling, Training, Supervisor ride-alongs, ordering changes in practice or procedure, changing duty assignments, Discipline, or of other supervised, monitored, and documented action plans and strategies designed to modify activity. If the MCSO or the Monitor concludes that systemic problems of racial profiling, unlawful searches or seizures, or unlawful immigration enforcement exist, the MCSO shall take appropriate steps at the agency level, in addition to initiating corrective and/or disciplinary measures against the appropriate Supervisor(s) or Command Staff. All interventions shall be documented in writing.*

MCSO is in Phase 1 compliance with this paragraph. MCSO is not in Phase 2 Compliance at this time.

During this rating period, the Training Division delivered the EIS Training to all supervisors and MCSO supervisors began implementing this course's contents. The course educated supervisors on how to properly utilize the EIS to conduct and document reviews of collected data for the deputies under their supervision.

MCSO has and will continue to work with the Monitor Team to develop appropriate reporting mechanism to demonstrate Phase 2 compliance.

Additionally, after much collaboration with the Monitor and Parties, on September 21st, the MCSO filed with the Court its stipulated Plan to Promote Constitutional Policing. This plan will give MCSO a roadmap to meet the expectations of the community and to be a leader in 21st Century Policing. Identified in the plan are the following goals the MCSO will diligently strive to achieve on a continuous basis:

- Implementing an effective Early Identification System with supervisor discussions: MCSO's Early Intervention Unit and Patrol Commanders will establish and deliver non-disciplinary conversations and interventions between patrol deputies and supervisors to discuss promotion of fair and impartial policing.

- Evaluating supervisors' performances: MCSO will ensure that supervisors are held accountable for deputy outcomes through the Employee Performance Appraisal process.
- Enhanced implicit bias training: MCSO will provide deputies and supervisors with enhanced cultural competency and implicit bias training and roll call briefings based on trends in traffic stop data.
- Enhanced fair and impartial decision-making training: MCSO will develop training and roll call briefing that addresses lawful factors to rely on when taking discretionary law enforcement action and the importance of the guardian mindset. The training and roll call briefing will also emphasize the idea that fair and impartial decision-making, and thus public safety, is promoted by working collaboratively with the local community.
- Enhanced training on cultural competency and community perspectives on policing: MCSO will provide deputies and supervisors with enhanced cultural competency training and roll call briefings based on community input.
- Improving traffic stop data collection and analysis: MCSO's Early Intervention Unit, Technology Bureau, and Patrol Commanders will assess MCSO's traffic stop data collection to ensure data collection is accurate and the nuances of deputy discretion are captured. MCSO will also implement metrics to evaluate improvement and success.
- Encouraging and commending employees' performance and service to community: MCSO will establish internal processes for commending employees who have contributed to the provision of constitutional and community-oriented policing services and have fostered a positive relationship with diverse communities. These commendations can include deputies who have been identified by supervisors as having compiled a positive record of constitutional policing or positive engagement with communities served on patrol, and sergeants who have had particular success in carrying out interventions on EIS alerts, or who have a record of positive, hands-on supervision.
- Studying the Peer Intervention Program: Explore development of a peer intervention program modeled along the New Orleans Police Department's EPIC program, which "empowers and gives officers the strategies and tools they need to step in and prevent problems before they occur; and then protects those officers who have the courage to apply those strategies and tools in the field." A key purpose of the peer intervention program will be to reinforce an agency culture and mission in which an attitude of service to the community and provision of constitutional policing services are seen as a critical component of good law enforcement.
- Building a workforce that provides constitutional and community-oriented policing and reflects the community we serve: MCSO will support best practices that result in the hiring and retention of personnel who believe in constitutional policing and working to define and deliver a vision of community safety that is shared by Maricopa County's diverse population.

This plan will be updated and re-published twice a year after an extensive review has been conducted to ascertain accomplishments and where appropriate adjustments need to be made to achieve MCSO's goals.

Paragraph 71. *In addition to the underlying collected data, the Monitor and Plaintiffs' representatives shall have access to the results of all Supervisor and agency level reviews of the traffic stop and patrol data.*

Phase 1 compliance is not applicable to this paragraph. ***MCSO is in Phase 2 compliance with Paragraph 71.***

MCSO will continue to provide the Monitor with access to all data requested to assist the Monitor in determining MCSO's continued compliance with Paragraph 71.

Quarterly Incident Report (IR) Inspection:

The Quarterly Incident Report Inspection ensures that Incident Reports adhere to Office policy, federal and state laws, promotes proper supervision, and supports compliance with the *Melendres* Court Order. The AIU completes the IR inspection on a quarterly basis by taking a sample of IR's provided each month to the Court Implementation Division by the Monitor Team. IR's are uniformly inspected utilizing the AIU matrix. The results for the fourth quarter of 2017 indicated a compliance rate of 84%.

Patrol Shift Roster Inspection:

The Patrol Shift Roster inspection is conducted to ensure consistency with MCSO Policy GB-2, *Command Responsibility*, and with Paragraphs 82, 84, and 86 of the Court's Order. The Sheriff's Office has continued to adhere to proper span of control for deputy to sergeant patrol squad ratios and has eliminated acting patrol supervisors.

Traffic Stop Data Collection Inspection:

The Traffic Stop Data Collection inspection reviews monthly traffic stop data to ensure compliance with Office policy and paragraphs 54-57 of the Court Order. This inspection is based on paragraph 64 of the Court's Order and is conducted using the traffic stop data sample that is randomly chosen by the Monitor Team. This inspection ensures that MCSO: a) collected all traffic stop data to comply with MCSO Policy, EB-2, Traffic Stop Data Collection; b) accurately completed all forms associated to traffic stops; c) closed and validated all TraCS forms; and d) used the correct CAD codes and sub codes. The overall compliance rate for the fourth quarter of 2017 was 86%. October's compliance rate was 91%, November's rate was 88%, and December had a compliance rate of 80%.

County Attorney Dispositions Inspection:

The County Attorney Dispositions Inspection is conducted to ensure that there were no irreversible errors in cases declined for prosecution by the prosecuting authority or court. To achieve this, inspectors utilized "IAPro" to generate all County Attorney turndowns processed for the respective month. The County Attorney turndowns are uniformly inspected utilizing the Records Division "FileBound" database and the AIU matrix developed in accordance with Policies GF-4 and ED-3, and Court Order Paragraph 75. The overall compliance rate for the fourth quarter of 2017 was 99%. October's compliance rate was 97%, November had 100%, and December had 100% as well. The fourth quarter of 2017 compliance rate for sworn and detention personnel were 100%.

TraCS Discussion Inspection:

The TraCS Discussion Inspection is completed to determine supervisory compliance with Office policy and the Court Order, as well as to promote proper supervision. This inspection is conducted using the TraCS System to review a sample of randomly selected employee's traffic stops from each district, selected by the Monitor Team. MCSO will regularly use EIS data to promote lawful, ethical and professional police practices; and to evaluate the performance of MCSO Patrol Operations Employees across all ranks, units and shifts.*

MCSO is in Phase 1 compliance with this paragraph. MCSO is not in Phase 2 compliance.

During this quarter, the EIS Training was concluded for all current supervisors in November of 2017. The training instructed supervisors how to properly utilize the EIS to access, review, and search the relational database. It is through the use of the EIS that effective supervision and management of MCSO Deputies will be attained.

MCSO continues to collaborate with the Monitor Team and Parties to continue to develop, refine, and maintain an efficient and useful computerized EIS.

Paragraph 73. *Within 180 days of the Effective Date, MCSO shall either create a unit, which shall include at least one full-time-equivalent qualified information technology specialist, or otherwise expand the already existing role of the MCSO information technology specialist to facilitate the development, implementation, and maintenance of the EIS. MCSO shall ensure that there is sufficient additional staff to facilitate EIS data input and provide Training and assistance to EIS users. This unit may be housed within Internal Affairs (“IA”).*

MCSO is in Phase 1 and Phase 2 compliance with Paragraph 73.

Paragraph 74. *MCSO shall develop and implement a protocol setting out the fields for historical data, deadlines for inputting data related to current and new information, and the individuals responsible for capturing and inputting data.*

MCSO is in Phase 1 compliance with this paragraph. MCSO is not in Phase 2 Compliance.

During this quarter, the EIS Training for all supervisors was delivered. The training educated supervisors on the policies and protocols for inputting data into the EIS, the person responsible for inputting data, and how to search the EIS relational database.

The first draft of the EIU Operations Manual was sent to the Monitor and Parties on April 24, 2017. The Monitor sent the combined comments on the EIU Operations Manual to MCSO on May 30, 2017. MCSO submitted the second draft of the EIU Operations Manual to the Monitor and Parties in September 2017. Based on the Monitor's 14th Quarterly Report, **MCSO is in Phase 1 compliance** with this paragraph. MCSO is not in Phase 2 Compliance.

MCSO has incorporated all of the required data within the EIS relational database. Specifically the municipal court dispositions were implemented for all data for January 01, 2017 to present. Additionally, the data from Non-Traffic Contact form and Incident Reports were incorporated into a test environment for the month of June 2017 in agreement with the Monitor and Parties.

During this quarter and beginning in July 2017, all Non-Traffic Contact Form and IR data has been integrated into the EIS. This information and data was loaded for all data gathered from July 1, 2017 forward.

With the completion of the EIS and SRELE training, completed within this rating period, MCSO anticipates supervisors will begin utilizing the EIS as intended to promote effective and efficient policing.

Paragraph 76. *The EIS shall include appropriate identifying information for each involved Deputy (i.e., name, badge number, shift and Supervisor) and civilian (e.g., race and/or ethnicity).*

MCSO is in Phase 1 and Phase 2 compliance with Paragraph 76.

MCSO will provide the Monitor with any information that the Monitor requests to enable the Monitor to evaluate MCSO's continued compliance with Paragraph 76.

Paragraph 77. *MCSO shall maintain computer hardware, including servers, terminals and other necessary equipment, in sufficient amount and in good working order to permit personnel, including Supervisors and commanders, ready and secure access to the EIS system to permit timely input and review of EIS data as necessary to comply with the requirements of this Order.*

Phase 1 compliance is not applicable to this paragraph. **MCSO is in Phase 2 compliance with Paragraph 77.**

MCSO will provide the Monitor with any information that the Monitor requests to enable the Monitor to evaluate MCSO's continued compliance with Paragraph 77.

Paragraph 78. *MCSO shall maintain all personally identifiable information about a Deputy included in the EIS for at least five years following the Deputy's separation from the agency. Information necessary for aggregate statistical analysis will be maintained indefinitely in the EIS. On an ongoing basis, MCSO shall enter information into the EIS in a timely, accurate, and complete manner, and shall maintain the data in a secure and confidential manner. No individual within MCSO shall have access to individually identifiable information that is maintained only within EIS and is about a deputy not within that individual's direct command, except as necessary for investigative, technological, or auditing purposes.*

MCSO is in Phase 1 compliance. Based on the Monitor's 14th Quarterly Report, MCSO achieved Phase 2 compliance.

On November 6, 2017, MCSO published the operating procedure for System Log Audit Requests that became effective on November 30, 2017. The procedure outlines how the Professional Standards Bureau will notify the Technology Bureau of any allegations of the misuse of MCSO Information Systems and request an audit of the alleged misuse.

Paragraph 79. *The EIS computer program and computer hardware will be operational, fully implemented, and be used in accordance with policies and protocols that incorporate the requirements of this Order within one year of the Effective Date. Prior to full implementation of the new EIS, MCSO will continue to use existing databases and resources to the fullest extent possible, to identify patterns of conduct by employees or groups of Deputies.*

Based on the Monitor's 14th Quarterly Report, **MCSO is in Phase 1 compliance.** MCSO is not in Phase 2 compliance.

As of July 6, 2017 MCSO fully integrated all interfaces/data with the EIS pertaining to paragraph 75 above for all data collected from July 1, 2017 forward.

As previously noted, the EIS Training for supervisors was completed in November of 2017. The training educated supervisors on the policies and protocols for inputting data into the EIS, the person responsible for inputting data, and how to search the EIS relational database.

Paragraph 80. *MCSO will provide education and training to all employees, including Deputies, Supervisors and commanders regarding EIS prior to its implementation as appropriate to facilitate proper understanding and use of the system. MCSO Supervisors shall be trained in and required to use EIS to ensure that each Supervisor has a complete and current understanding of the employees under the Supervisor's command. Commanders and Supervisors shall be educated and trained in evaluating and making appropriate comparisons in order to identify any significant individual or group patterns. Following the initial implementation of the EIS, and as experience and the availability of new technology may warrant, MCSO may propose to add, subtract, or modify data tables and fields, modify the list of documents scanned or electronically attached, and add, subtract, or modify standardized reports and queries. MCSO shall submit all such proposals for review by the Monitor pursuant to the process described in Section IV.*

Based on the Monitor's 14th Quarterly Report, **MCSO is in Phase 1 compliance.** MCSO is not in Phase 2 compliance.

With the completion of the EIS and SRELE training, completed within this rating period MCSO requests Phase 2 compliance.

Paragraph 81. *MCSO shall develop and implement a protocol for using the EIS and information obtained from it. The protocol for using the EIS shall address data storage, data retrieval, reporting, data analysis, pattern identification, identifying Deputies for intervention, Supervisory use, Supervisory/agency intervention, documentation and audit. Additional required protocol elements include:*

- a. *comparative data analysis, including peer group analysis, to identify patterns of activity by individual Deputies and groups of Deputies;*
- b. *identification of warning signs or other indicia of possible misconduct, including, but not necessarily limited, to:*
 - i. *failure to follow any of the documentation requirements mandated pursuant to this Order;*
 - ii. *racial and ethnic disparities in the Deputy's traffic stop patterns, including disparities or increases in stops for minor traffic violations, arrests following a traffic stop, and immigration status inquiries, that cannot be explained by statistical modeling of race neutral factors or characteristics of Deputies' specific duties, or racial or ethnic disparities in traffic stop patterns when compared with data of a Deputy's peers;*
 - iii. *evidence of extended traffic stops or increased inquiries/investigations where investigations involve a Latino driver or passengers;*
 - iv. *a citation rate for traffic stops that is an outlier when compared to data of a Deputy's peers, or a low rate of seizure of contraband or arrests following searches and investigations;*

Interventions may include but are not limited to counseling, Training, Supervisor ride-alongs, ordering changes in practice or procedure, changing duty assignments, Discipline, or other supervised, monitored, and documented action plans and strategies designed to modify activity. All interventions will be documented in writing and entered into the automated system;*

Based on the Monitor's 14th Quarterly Report, MCSO is in Phase 1 compliance. MCSO is not in Phase 2 compliance.

As of July 6, 2017 MCSO fully integrated all interfaces/data with the EIS pertaining to paragraph 75 above for all data collected from July 1, 2017 forward.

The EIS Training was completed on October 30, 2017 and educated supervisors on the policies and protocols for inputting data into the EIS, the person responsible for inputting data, and how to search the EIS relational database.

In April 2017, the monthly benchmarks previously approved by the Monitor Team for compliance with the Court Order were implemented and utilized to generate EIS alerts that were sent to supervisors for the purpose of an intervention. This process was done in accordance with the approved MCSO EIS Project Plan. In May 2017, MCSO noticed a high frequency of EIS alerts being generated from the approved methodology. In response, MCSO drafted and submitted an additional three step vetting process to the Monitor Team. The Monitor Team approved the

proposed vetting process and the EIS alerts resumed. During the July 2017 Monitor Site Visit, the Monitor Team requested that all monthly benchmarks and the EIS alerts associated with them be placed on hold under further evaluation by the Monitor Team and Parties could take place.

These benchmarks continue to be assessed by all Parties and once finalized will be revised accordingly in a section of the EIU Operations Manual and scheduled for implementation.

Section 8: Supervision and Evaluation of Officer Performance

On September 5, 2017 MCSO published an administrative broadcast launching the Chain of Command program which delineates the reporting structure for every employee in the Office. - Employee Performance Appraisal (EPA)
- Early Intervention Unit (EIU) alerts
- Transfer Evaluations (EPA)
- Training (HUB) approvals
- Bureau of Internal Oversight (BIO) Action Form
- EI Pro
- Blue Team entries/reviews

Additionally within this rating period, the MCSO Training Division completed the delivery of the EIS and SRELE training. MCSO is optimistic supervisors will begin utilizing the skills and information they gleaned from these courses to promote effective and efficient supervision of subordinates.

To achieve these outcomes, MCSO shall undertake the following duties and measures:

Paragraph 86. *On-duty field Supervisors shall be available throughout their shift to provide adequate on-scene field supervision to Deputies under their direct command and, as needed, to provide Supervisory assistance to other units. The report goes on to indicate deficiencies on traffic stop documentation are still being "overlooked by supervisors", however, the report states, "These deficiencies were not related to the legal basis of the traffic stops; they were associated with the documentation of information pertaining to the stops and the failure to follow MCSO policies after the stops."

MCSO will continue to work towards Phase 2 compliance with this Paragraph.

Paragraph 92. *Supervisors shall use EIS to track each subordinate's violations or deficiencies in Investigatory Stops or detentions and the corrective actions taken, in order to identify Deputies needing repeated corrective action. MCSO is in Phase 1 compliance with Paragraph 97. MCSO is not in Phase 2 compliance.

During this quarter the EIS Training for supervisors began being delivered to all supervisors. The EIS Training was completed in November of 2017. The training educated supervisors on the policies and protocols for inputting data into the EIS, the person responsible for inputting data, and how to search the EIS relational database.

While noted in the Monitor's 14th Quarterly Report, MCSO had not yet achieved a compliance rate with this paragraph to demonstrate phase 2 compliance, MCSO anticipates the completion of the delivery of the EIS Training to positively impact the compliance rate.

Section 9: Misconduct and Complaints

General Comments Regarding Misconduct and Complaints:

During the Fourth Quarter of 2017, the PSB completed the delivery of the 40 hours of comprehensive training on conducting employee misconduct investigations in November 2017.

The PSB also began classifying some external complaints, those that involve inadequate policy, procedure, practice, service level, or legal standard or statute required by the Office, as Service Complaints. The PSB initiated a process and tracking system for these complaints that do not involve employee misconduct. The PSB Commander now also has the discretion to determine that internal complaints alleging minor policy violations can be documented and addressed without a formal investigation if certain criteria exist.

To assure that MCSO's actions comply with the Court Order and the high standards the Office expects, the MCSO continued with a multiple-step approach to address misconduct and complaints:

First, PSB continued to review all division level investigations and provide written feedback to division level investigators and their chains of command in order to improve the thoroughness of the investigations, obtain structure and consistency in format, ensure the inclusion of proper forms, and provide assistance with future investigations. The intent of the feedback is to evaluate, educate, assist and provide suggestions for future division level investigations. The PSB also provided feedback regarding the efficiency and thoroughness with which the divisions undertake and complete administrative investigations. The PSB reviewed division cases for quality control prior to final submission to the appointing authority for final findings.

A sworn lieutenant and two sworn sergeants are permanently assigned to PSB to act as liaisons with the other divisions. They are tasked with the primary responsibility of reviewing all division level cases for thoroughness and accuracy; providing investigative feedback to the investigator and his chain of command; and documenting and tracking investigative deficiencies, pursuant to the Second Amended Second Supplemental Injunction/Judgement Order, Paragraph 211. The PSB continues to monitor and track investigative deficiencies that occur at the division level.

Second, although MCSO revised, disseminated, and delivered the Court Order-related training (4th Quarter 2014), Policy GH-2, *Internal Investigations*, the PSB worked with the Policy Section to revise Office Policy GH-2, to include the investigative process, direct guidance in conducting a preliminary inquiry and a clear definition of "service complaints." The updated policy includes additional compliance elements listed in the Second Amended Second Supplemental Injunction/Judgement Order that was filed in July 2016. The revised GH-2, *Internal Investigations* was published in May 2017.

In addition to GH-2, the PSB worked with the Policy Section to revise Office Policy GC-17, *Employee Disciplinary Procedure*, to include revised discipline matrices; and protocols for coaching as a non-disciplinary action between a supervisor and employee that supports an individual in achieving personal and professional goals by providing training, advice, and guidance in response to a specific situation. GC-17, *Employee Disciplinary Procedure* was published in May 2017.

Consistent with the Court's Order, Paragraph 104, requiring deputies to cooperate with administrative investigations and requiring supervisors be notified when a deputy under their supervision is summoned as part of an administrative investigation, the Administrative Investigation Checklist collects the data necessary to track compliance with this paragraph. Consistent with the Court's Order, Paragraph 105, requiring investigators to take into account

collected traffic stop and patrol data, training records, discipline history, performance evaluations, and past complaints; the investigative format also collects the necessary data to track compliance with this paragraph.

Consistent with the Court's Order, Paragraph 102, the MCSO mandated that any internal or external misconduct allegations must be reported to the PSB. Whenever misconduct is alleged, the PSB must assign an IA case number. During this reporting period, the PSB assigned 222 IA case numbers and completed and closed 128 IA cases. PSB assigned 9 CIA (criminal) cases and closed 7 CIA cases.

Consistent with the Court's Order, Paragraph 102, requiring all personnel to report without delay alleged or apparent misconduct by other MCSO personnel, during this reporting period, PSB received 100 internal complaints during this reporting period, demonstrating compliance with the Court's Order. Of the 100 internal complaints received, 95 were administrative investigations and 5 were criminal investigations.

Consistent with the Court's Order, Paragraph 32, requiring that all patrol operations personnel report violations of policy; during this reporting period, PSB received 103 complaints from patrol personnel during this reporting period.

Consistent with Court's Order, paragraph 33, requiring personnel engaging in discriminatory policing to be subject to administrative investigation and discipline; during this reporting period PSB received 10 complaints and completed one investigation alleging discriminatory policing.

Consistent with the Court's Order, Paragraphs 90, 91, and 249, requiring that PSB track as a separate category, allegations of unlawful stops, searches and seizures, or arrests; during this reporting period PSB received four complaints and completed two investigations alleging unlawful stops, searches, seizures, or arrests.

Consistent with the Court's Order, Paragraph 24, requiring a response to hotline complaints, during this reporting period the PSB received no complaints via the PSB hotline.

Consistent with the Court's Order, Paragraph 251, PSB published on the MCSO website its Semi-Annual Public Report on Misconduct Investigations.

Consistent with the Court's Order, Paragraph 252, the PSB published on the MCSO website detailed summaries of completed internal affairs investigations.

The Second Amended Second Supplemental Injunction/Judgement Order was filed in July 2016 and the PSB immediately began working toward compliance with the Court's Order. Pursuant to the following paragraphs, the PSB:

- Conducted disciplinary checks on all sworn supervisors to ensure their eligibility to conduct misconduct investigations (Paragraph 199);
- Obtained body worn cameras for PSB personnel to conduct audio and video recorded interviews outside of the office. Video camera systems were also purchased for use at the district levels (Paragraph 200f);
- Continued to review all division level cases for thoroughness and accuracy; provide investigative feedback to the investigator and his chain of command; and document and track investigative deficiencies (Paragraph 211);

- Established a free, 24 hour hotline for members of the public to make complaints. The hotline was activated in August 2016, with greetings and instructions in both English and Spanish (Paragraph 243);
- Sought and received approval from the monitor team prior to transferring additional personnel to the division (Paragraph 268);
- Reviewed the Finding of Facts, Doc 1677 in order to determine and identify other acts of potential misconduct (Paragraph 291). Additionally, the PSB identified active administrative investigations that posed potential conflicts of interest and referred investigations to an outside investigative authority (paragraph 196). Lastly, the PSB retained a qualified outside investigative authority to conduct the investigations determined to be conflicts of interest (Paragraphs 291 and 300);
- Worked with the Training Division and the Monitor Team to develop a training curriculum to provide 40 hours of comprehensive training on conducting employee misconduct investigations (Paragraph 178);
- Provided 40 hours of comprehensive training on conducting employee misconduct investigations to all supervisors and members of PSB who conduct these types of investigations (Paragraph 178);
- Worked with the IT Bureau to designate a section on the MCSO website to provide detailed summaries of completed internal affairs investigations and make them readily available to the public (Paragraph 252) ;
- Published the Semi-Annual Public Report on Misconduct Investigations, July – December 2016 (Paragraph 251); and
- Hired a Management Analyst whose responsibilities include tracking separate categories of complaints and allegations (paragraph 248-249); conducting assessments of the types of complaints received to identify and assess potential problematic patterns and trends (Paragraph 250); and producing a semi-annual public report on misconduct investigations (Paragraph 251). The Management Analyst started work in January 2017.
- In order to promote the independence and confidentiality of investigations, the MCSO identified the Maricopa County Superior Court East Court Building as a viable location for the PSB off site location. This location is separate from other MCSO facilities, is easily accessible to the public, and has sufficient space for personnel to receive members of the public, allowing them to file comments and complaints (Paragraph 198).

Pursuant to Paragraph 275 of the Second Amended Second Supplemental Injunction/Judgement Order, the Monitor is vested with the authority to supervise and direct all administrative investigations pertaining to Class Remedial Matters (CRM). The PSB met with the Monitor Team to determine and establish protocols on how to proceed with the reporting, investigation, and review of CRM investigations (Paragraph 278). The PSB Deputy Chief continues to meet weekly with members of the Monitor Team to review and discuss CRM investigations and subsequent discipline in sustained investigations.

In addition to the PSB's efforts to address misconducts and complaints, the EIU continues to utilize IA Pro and Blue Team to monitor and analyze behavior that may lead to misconduct (see Section IX) and the BIO continues to address Court Order compliance by conducting audits and

inspections of employee performance and misconduct; and audits of misconduct investigations (see Section III).

Paragraph 102. *MCSO shall require all personnel to report without delay alleged or apparent misconduct by other MCSO Personnel to a Supervisor or directly to IA that reasonably appears to constitute: (i) a violation of MCSO policy or this Order; (ii) an intentional failure to complete data collection or other paperwork requirements required by MCSO policy or this Order; (iii) an act of retaliation for complying with any MCSO policy; (iv) or an intentional provision of false information in an administrative investigation or any official report, log or electronic transmittal of information. Failure to voluntarily report or document apparent misconduct described in this Paragraph shall be an offense subject to Discipline.*

MCSO is in Phase 1 and Phase 2 compliance with paragraph 102.

Paragraph 103. *Within one year of the Effective Date, MCSO shall develop a plan for conducting regular, targeted, and random integrity audit checks to identify and investigate Deputies possibly engaging in improper behavior, including: Discriminatory Policing; unlawful detentions and arrests; improper enforcement of Immigration-Related Laws; and failure to report misconduct.*

MCSO is not in Phase 1 or Phase 2 compliance with Paragraph 103.

In Order to achieve Phase 1 compliance, the following policies must be finalized:

- GH-4, *Bureau of Internal Oversight* (Published 12/14/2016)
- Ethics Enforcement Section Operations Manual (currently under revision)

MCSO is continuing to finalize the Audits and Inspections Unit's (AIU) Operations Manual. Currently, sections of the Operation Manual have been approved by the Monitor and parties. On March 23, 2017 MCSO sent the Operations Manual section to the Monitor and parties. MCSO received the combined comments back from the Monitor on May 07, 2017. MCSO submitted the second draft of this section to the Monitor and Parties on May 18, 2017. The Monitor responded back to MCSO with combined comments on June 09, 2017 and this portion of the manual was approved on June 13, 2017. During the October 2017 Monitor Site Visit, discussions transpired with regard to the comments pertaining to the AIU Operations Manual. Additional revisions are being made and the next draft of the relevant sections will be provided to the Monitor and parties in the near future.

The Monitor's 14th Quarterly report noted, "While the review process of the operations manual is still underway, for this reporting period, BIO submitted several completed inspections in support of the "regular" and "random" elements of this Paragraph. The inspections examined, for example, Supervisory Notes, County Attorney turndown dispositions, and employee email usage; we reviewed these reports and believe that they comport with the Paragraph 103 requirement for "regular" and "random" integrity audit checks."

MCSO requests Phase 2 compliance while MCSO continues to work towards memorializing the requirements of this paragraph in the AIU Operations Manual.

Paragraph 104. *Subject to applicable laws, MCSO shall require Deputies to cooperate with administrative investigations, including appearing for an interview when requested by an investigator and providing all requested documents and evidence. Supervisors shall be notified when a Deputy under their supervision is summoned as part of an administrative investigation and shall facilitate the Deputy's appearance, absent extraordinary and documented circumstances.*

MCSO is in Phase 1 and Phase 2 compliance with Paragraph 104.

In addition to the general comments at the beginning of this section and consistent with the Court's Order, Paragraph 104, requiring deputies to cooperate with administrative investigations and requiring supervisors be notified when a deputy under their supervision is summoned as part of an administrative investigation, the Administrative Investigation Checklist collects the data necessary to track compliance with this paragraph. As of June 1, 2016, the Administrative Investigation Checklist was mandatory for all administrative investigations.

MCSO will continue to work to maintain compliance with this Paragraph.

Paragraph 105. *Investigators shall have access to, and take into account as appropriate, the collected traffic stop and patrol data, Training records, Discipline history, and any past Complaints and performance evaluations of involved officers.*

MCSO is in Phase 1 and Phase 2 compliance with Paragraph 105.

The PSB and Compliance Bureau Commanders created a worksheet that provides information on how disciplinary decisions are made, which include the discipline range determined by the PSB Commander and the consideration of an employee's work history. The worksheet is included with all administrative investigations.

Paragraph 106. *Records of Complaints and investigations shall be maintained and made available, un-redacted, to the Monitor and Plaintiffs' representatives upon request. The Monitor and Plaintiffs' representatives shall maintain the confidentiality of any information therein that is not public record. Disclosure of records of pending investigations shall be consistent with state law.*

Phase 1 compliance is not applicable to Paragraph 106. ***MCSO is in Phase 2 compliance under Paragraph 106.***

Section 10: Community Engagement

This quarter, is the first full quarter since Sheriff Penzone filed a motion with the Court to modify document 670, which pertains to community engagement which was adopted by the Court on August 3, 2017. These changes are a demonstration of Sheriff Penzone's commitment to the community members he serves and his dedication to rebuilding the community's trust and confidence in the MCSO. The amended Order requires MCSO to be responsible for community engagement through the Community Outreach Division and the CAB. While Sheriff Penzone and MCSO realize these amendments require hard work and come with challenges, MCSO prioritizes rebuilding a relationship with the community we serve.

MCSO leadership has enjoyed working directly with the affected community and the new CAB to obtain community input into *Melendres*-related compliance. MCSO also assumed the responsibility for planning, organizing, advertising, and hosting the Order mandated community meetings with the intention of improving community relations and repairing the damaged relationship between MCSO and the Plaintiff Class. The quarterly community meeting was held on October 18, 2017 at Taft Elementary School in Mesa, AZ. There were over 250 people from the community in attendance, which allowed for meaningful dialogue to take place and for the MCSO to hear directly from many community members.

The MCSO also continues providing youth and adults tools for success through sustainable partnerships with community members and local businesses in addition to the Court Order related paragraphs. In furtherance of community engagement activity, the Office organized the Community Outreach Team. The division facilitates, promotes, and participates in events that unite MCSO personnel with community members in comfortable, non-law enforcement environments.

MCSO's quarterly register records community policing activities performed by MCSO Patrol Deputies across the County. For the period of October 1, 2017 through December 31, 2017, the Sheriff's Office registered 138 events, where public attendance approached approximately 133,500. During this same period, MCSO recorded 1,432 occasions of community policing utilizing the Computer Aided Dispatch System. Those engagements totaled over 2,234 staff hours and are primarily attributed to the community policing activities of Patrol Deputies.

The Community Outreach Division works on bringing the MCSO and community together with existing programs along with developing new relationships within the community. During the month of October the MCSO conducted four Community Police Academy classes. Each Academy class requires the participants to volunteer their time for four consecutive Saturdays at the MCSO Training Facility. Sheriff Penzone was available for the final day of the class which involved the Award Ceremony and an opportunity to talk with him about their academy experience and suggestions on improving this opportunity for others. The common statement that was made by the participants was that they wished more people would take the time to attend the MCSO Community Academy, because they learned so much.

Also in October MCSO hosted the Spanish Speaking Community Academy. For this Academy, 14 community members were in attendance. At the conclusion of the Academy, the participants were extremely pleased with the experience and they indicated they would recommend their friends attend in the future.

December was a month of giving for MCSO and the Community Outreach Division ensured MCSO personnel was on the forefront of these efforts. Sheriff Penzone and members from the MCSO were at the Youth Assistance Foundation (YAF) Shop with the Sheriff event in Scottsdale providing toys

and gifts to over 50 kid from the community. Executive Command staff and over 20 MCSO Detention Officers and Deputies also attended the Kids & COPS Holiday Shop event. Each employee who participated in this event was assigned to a child to help with their shopping.

Sheriff Penzone also attended the Steven Martin Toy Drive. Sheriff Penzone assisted with shopping for the gifts each participating child would receive. Sheriff Penzone also participated in the YAF/MCSO TOY Distribution at St. Vincent De Paul two days before Christmas. The kids, families, community members and MCSO volunteers really enjoyed themselves as they passed out over 300 bikes, thousands of gifts and good will to all.

The Community Outreach division is committed to continuing their work to collaborate with the multiple Advisory Boards by consulting with them and seeking their feedback on array of issues important to the community. Community Outreach personnel continue to educate the Districts with community policing ideas and encourage their participation in public events within the community to help rebuild community relations, confidence and trust.

(Note: Amendments to paragraphs 107-118 were ordered on August 03, 2017, reference document 2100. The changes are as follows)

***Paragraph 109.** As part of its Community Outreach and Public Information program, the MCSO shall hold at least one public meeting per quarter to coincide with the quarterly site visits by the Monitor in a location convenient to the Plaintiffs class. The MCSO shall consult with Plaintiffs' representatives and the Community Advisory Board on the locations of the meetings. These meetings shall be used to inform community members of the policy changes or other significant actions that the MCSO has taken to implement the provisions of this Order. Summaries of audits and reports completed by the MCSO pursuant to this Order shall be made available. The MCSO shall clarify for the public at these meetings that it does not enforce immigration laws except to the extent that it is enforcing Arizona and federal criminal laws.*

The Quarterly Community Meeting was held on October 18, 2017 at Taft Elementary School in Mesa, AZ. Several community organizations, the CAB and MCSO Advisory groups also received information on the meeting. There were over 250 people from the community in attendance.

Sheriff Penzone and executive command staff presented to those in attendance by discussing the history of the *Melendres* litigation and highlighting the policy changes and training efforts of the MCSO.

MCSO also explicitly stated it does not enforce immigration laws except to the extent that it is enforcing Arizona and federal criminal laws. Handouts were also made available to those in attendance that directed those interested to the various audits and reports conducted by BIO and ASU.

Dialogue with the CAB and Plaintiff representative's continues to evolve and MCSO appreciates the insight and feedback from them. MCSO has continued to initiate a more open dialogue with regards to these meeting locations.

In order to achieve Phase 1 compliance MCSO must adopt the language of this paragraph into the CID Operations Manual which is currently under revision.

Paragraph 110. *The meetings present an opportunity for MCSO representatives to listen to community members' experiences and concerns about MCSO practices implementing this Order, including the impact on public trust. MCSO representatives shall make reasonable efforts to address such concerns during the meetings and afterward as well as explain to attendees how to file a comment or complaint.*

Approximately 250 community members attended this event. All those in attendance were provided an opportunity to ask questions or offer comments to MCSO personnel, the Monitor, and to the Parties. Members of the MCSO Professional Standards Bureau were acknowledged and their availability to accept complaints was announced. Complaint/Comment forms were also made available.

The Sheriff and executive command staff answered many questions from those in attendance and personnel from other areas of the office had meaningful conversations with some community members who were in attendance before and after the meeting.

In order to achieve Phase 1 compliance MCSO must adopt the language of this paragraph into the CID Operations Manual which is currently under revision.

Paragraph 111: *English and Spanish-speaking MCSO Personnel shall attend these meetings and be available to answer questions from the public. At least one MCSO supervisor with extensive knowledge of the agency's implementation of the Order, as well as an MCSO Community Liaison, shall participate in the meetings. The Monitor, Plaintiffs' and Plaintiff-Intervenor's representatives shall be invited to attend and MCSO shall announce their presence and state their availability to answer questions.*

English and Spanish-speaking personnel from MCSO were in attendance. MCSO personnel from the Court Implementation Division, Professional Standards Bureau, District One Patrol Division, Community Outreach Division and Executive Command staff were in attendance. The meeting was translated by a contracted professional translator. In addition, the Monitor and representatives from the ACLU of Arizona, DOJ, and the CAB were present and their presence was announced and their availability to answer questions was stated.

In order to achieve Phase 1 compliance MCSO must adopt the language of this paragraph into the CID Operations Manual which is currently under revision.

Paragraph 112. *At least ten days before such meetings, the MCSO shall widely publicize the meetings in English and Spanish after consulting with Plaintiffs' representatives and the Community Advisory Board regarding advertising methods. Options for advertising include, but are not limited to, television, radio, print media, internet and social media, and any other means available. If any party determines there is little interest or participation in such meetings among community members, or that they have otherwise fulfilled their purpose, it can file a request with the Court that this requirement be revised or eliminated.*

The Quarterly Community Meeting held on October 18th at Taft Elementary School was widely advertised, evident by the turnout of approximately 250 community members. MCSO also constructively sought to share the details of the event with local community partners including local church leaders, local school administrators, and community-based organizations to include the Parent Teachers Organization, East Valley Hispanic Chamber of Commerce and legislative

bodies. The event was also advertised by MCSO via social media, flyers, on English and Spanish radio as well as in Spanish newspaper.

The flyers created advertising this event were shared with the CAB and Plaintiff's representatives

Paragraph 113. *MCSO shall select or hire a Community Liaison who is fluent in English and Spanish. The hours and contact information of the MCSO Community Outreach Division ("COD") shall be made available to the public including on the MCSO website. The COD shall be directly available to the public for communications and questions regarding the MCSO.*

MCSO selected a Community Liaison Officer who is fluent in English and Spanish.

This information was updated on the webpage on January 12, 2018. In addition, at public events such as the Quarterly Community Meeting, the COD's contact information is publicized and their presence and willingness to answer to questions is stated.

Paragraph 114. *The COD shall have the following duties in relation to community engagement:*

- a. to coordinate the district community meetings described above in Paragraphs 109 to 112;*
- b. to provide administrative support for, coordinate and attend meetings of the Community Advisory Board described in Paragraphs 117 to 118; and*
- c. to compile any complaints, concerns and suggestions submitted to the COD by members of the public about the implementation of this Order and the Court's order of December 23, 2011, and its findings of fact and conclusions of law dated May 24, 2013, even if they don't rise to the level of requiring formal action by IA or other component of the MCSO, and to respond to Complainants' concerns; and*
- d. to communicate concerns received from the community at regular meetings with the Monitor and MCSO leadership.*

On August 3, 2017 document 670 was amended by the Court at MCSO's request, shifting the responsibility of community engagement back to the MCSO. Subsequent to this amendment MCSO coordinated the Quarterly Community Meeting held on October 18th at Taft Elementary School in the District One jurisdiction.

During this reporting period there was minimal administrative support requested by the CAB although MCSO stands ready and willing to provide that assistance. It was requested MCSO assist in producing business cards for the CAB which MCSO provided.

MCSO representatives in attendance at public meetings encourage questions, comments and concerns in order to create dialogue between the community and MCSO. Complaints, concerns and suggestions are tracked by COD personnel utilizing a form developed with input from the Monitor.

Complaint/ Comments forms are routinely promoted to document any concerns or complaints by those who choose not to publicly speak. In November 2017, it was reported to MCSO through social media the MCSO was assisting Immigration Customs Enforcement with immigration enforcement. An inquiry into this allegation was quickly completed and documented and it was determined MCSO was not involved in any way with this purported operation.

Concerns such as these are conveyed to the Monitor and MCSO leadership.

In order to achieve Phase 1 compliance MCSO must adopt the language of this paragraph into the CID Operations Manual which is currently under revision.

MCSO requests Phase 2 compliance

Paragraph 115. *MCSO and Plaintiffs' representatives shall work with community representatives to create a Community Advisory Board ("CAB") to facilitate regular dialogue between MCSO and the community, and to provide specific recommendations to MCSO about policies and practices that will increase community trust and ensure that the provisions of this Order and other orders entered by the Court in this matter are met.*

MCSO routinely communicates with the CAB and appreciates the feedback it has provided to us on various topics such as the MCSO website, Community Outreach calendar and training.

On October 24, 2017, MCSO hosted the 5 member court-ordered Community Advisory Board (CAB) and representatives for the Plaintiffs' at the MCSO headquarters in order to provide an overview of the various divisions/units and their respective functions responsive to compliance efforts with the Court Orders. Executive Command staff as well as personnel from the Community Outreach Division, Court Implementation Division, Bureau of Internal Oversight (Early Intervention Unit and Audits and Inspections Unit), Professional Standards Bureau and Human resources presented on various compliance topics. It was MCSO's goals to provide the CAB with insight into the MCSO and inform them of the agency's work thus far in order to receive specific recommendations to assist MCSO increase community trust and compliance. There was opportunity during and after to ask questions and seek further information. MCSO appreciated the CAB attending this event.

Paragraph 116. *The CAB shall have five members, two to be selected by MCSO and two to be selected by Plaintiffs' representatives. Members of the CAB shall not be MCSO Employees or any of the named class representatives, nor any of the attorneys involved in this case. A member of the MCSO COD and at least one representative for Plaintiffs shall attend every meeting of the CAB, but the CAB can request that a portion of the meeting occur without COD or the Plaintiffs' representative. The CAB shall continue for at least the length of this Order.*

On September 1, 2017, MCSO announced their selection of the two CAB members and announced the Plaintiffs' representatives and MCSO's joint selection.

MCSO executive command staff and personnel from CID and the COD were invited and attended a CAB meeting hosted by the CAB on November 29, 2017 and a community meeting hosted by the CAB on December 6, 2017.

In order to achieve Phase 1 compliance MCSO must adopt the language of this paragraph into the CID Operations Manual which is currently under revision.

Paragraph 117. *The CAB shall hold meetings at regular intervals. The meetings may be either public or private as the purpose of the meeting dictates, at the election of the CAB. The Defendants shall provide a suitable place for such meetings. The MCSO shall coordinate the meetings and communicate with CAB members, and provide administrative support for the CAB.*

MCSO executive command staff and personnel from CID and the COD were invited and attended a meeting hosted by the CAB on November 29, 2017. During this rating period, the MCSO was not asked to provide a meeting location, but MCSO repeatedly let the CAB know that the agency is ready and willing to provide a suitable meeting place.

In order to achieve Phase 1 compliance MCSO must adopt the language of this paragraph into the CID Operations Manual which is currently under revision.

MCSO requests Phase 2 compliance

Paragraph 118. *During the meetings of the CAB, members will relay or gather concerns from the community about MCSO practices that may violate the provisions of this Order and the Court's previous injunctive orders entered in this matter and transmit them to the COD for investigation and/or action. Members may also hear from MCSO Personnel on matters of concern pertaining to the MCSO's compliance with the orders of this Court.*

On October 24 the MCSO hosted the 5 member Community Advisory Board (CAB) at the MCSO HQ in order to provide an overview of the various divisions/units and their respective functions responsive to compliance efforts with the Orders. MCSO appreciates the CAB's role and appreciates the dialogue their input has generated. While the relationship between the CAB and MCSO is still rather new, the MCSO recognizes it is one based on respect and understanding.

To assist the CAB with its role and encourage its communication with the community, MCSO provided the CAB members with business cards for the CAB to hand out to the community.

In order to achieve Phase 1 compliance MCSO must adopt the language of this paragraph into the CID Operations Manual which is currently under revision.

MCSO requests Phase 2 compliance

Paragraph 165. *Within one month of the entry of this Order, the Sheriff shall conduct a comprehensive review of all policies, procedures, manuals, and other written directive related to misconduct investigations, employee discipline, and grievances, and shall provide to the Monitor and Plaintiffs new policies and procedure or revise existing policies and procedures. The new or revised policies and procedures that shall be provided shall incorporate all of the requirements of this Order. Any party who delays the approval by insisting on provisions that are contrary to this Order is subject to sanction.*

Paragraph 167. *The policies shall include the following provisions:*

- a. *Conflicts of interest in internal affairs investigations or in those assigned by the MCSO to hold hearings and make disciplinary decisions shall be prohibited. This provision requires the following:*
 - i. *No employee who was involved in an incident shall be involved in or review a misconduct investigation arising out of the incident.*
 - ii. *No employee who has an external business relationship or close personal relationship with a principal or witness in a misconduct investigation may investigate the misconduct. No such person may make any disciplinary decisions with respect to the misconduct including the determination of any grievance or appeal arising from any discipline.*
 - iii. *No employee shall be involved in an investigation, whether criminal or administrative, or make any disciplinary decisions with respect to any persons who are superior in rank and in their chain of command. Thus, investigations of the Chief Deputy's conduct, whether civil or criminal, must be referred to an outside authority. Any outside authority retained by the MCSO must possess the requisite background and level of experience of internal affairs investigators and must be free of any actual or perceived conflicts of interest.*
- b. *If an internal affairs investigator or a commander who is responsible for making disciplinary findings or determining discipline has knowledge of a conflict of interest affecting his or her involvement, he or she should immediately inform the Commander of the Professional Standards Bureau or, if the holder of that office also suffers from a conflict, the highest-ranking, non-conflicted chief-level officer at MCSO or, if there is no non-conflicted chief-level officer at MCSO, an outside authority. During any period in which a Monitor is appointed to oversee any operations of the MCSO, any employee may, without retaliation, report acts of alleged misconduct directly to the Monitor.*
- e. Where an act of misconduct is reported to a Supervisor, the Supervisor shall immediately document and report the information to the Professional Standards Bureau.*
- f. Failure to report an act of misconduct shall be considered misconduct and may result in disciplinary or corrective action, up to and including termination. The presumptive discipline for a failure to report such allegations may be commensurate with the presumptive discipline for the underlying misconduct.*
- g. No MCSO employee with a rank lower than Sergeant will conduct an investigation at the District level.*

MCSO is in Phase 1 and Phase compliance with paragraph 167

Following the issuance of the Second Permanent Supplemental Permanent Injunction, the PSB identified active administrative investigations that posed potential conflicts of interest and referred three of these investigations to the Arizona Department of Public Safety. Additionally, the PSB retained a qualified outside investigative authority and referred additional active investigations determined to be conflicts of interest; in addition to investigations into other acts of potential misconduct identified in the Finding of Facts, Doc 1677. The PSB referred a total of five investigations to the outside investigative authority.

Paragraph 168. *All forms of reprisal, discouragement, intimidation, coercion, or adverse action against any person, civilian, or employee because that person reports misconduct, attempts to make or makes a misconduct complaint in good faith, or cooperates with an investigation of misconduct constitute retaliation and are strictly prohibited. This also includes reports of misconduct made directly to the Monitor, during any period in which a Monitor is appointed to oversee any operations of the MCSO.*

MCSO is in Phase 1 and Phase 2 compliance with paragraphs 168.

Paragraph 169. *Retaliating against any person who reports or investigates alleged misconduct shall be considered a serious offense and shall result in discipline, up to and including termination.*

MCSO is in Phase 1 and Phase 2 compliance with paragraphs 169.

Paragraph 170. *The Sheriff shall investigate all complaints and allegations of misconduct, including third-party and anonymous complaints and allegations. Employees as well as civilians shall be permitted to make misconduct allegations anonymously.*

MCSO is in Phase 1 and Phase 2 compliance with paragraphs 170.

Paragraph 171. *The MCSO will not terminate an administrative investigation solely on the basis that the complainant seeks to withdraw the complaint, or is unavailable, unwilling, or unable to cooperate with an investigation, or because the principal resigns or retires to avoid discipline. The MCSO will continue the investigation and reach a finding, where possible, based on the evidence and investigatory procedures and techniques available.*

MCSO is in Phase 1 and Phase 2 compliance with paragraphs 171.

Paragraph 172. *Employees are required to provide all relevant evidence and information in their custody and control to internal affairs investigators. Intentionally withholding evidence or information from an internal affairs investigator shall result in discipline.*

MCSO is in Phase 1 and Phase 2 compliance with paragraphs 172.

Paragraph 173. *Any employee who is named as a principal in an ongoing investigation of serious misconduct shall be presumptively ineligible for hire or promotion during the pendency of the investigation. The Sheriff and/or the MCSO shall provide a written justification for hiring or promoting an employee or applicant who is a principal in an ongoing investigation of serious misconduct. This written justification shall be included in the employee's employment file and, during the period that the MCSO is subject to Monitor oversight, provided to the Monitor.*

Based on the Monitor's 14th Quarterly Report MCSO is not in Phase 1 compliance and Deferred for Phase 2.

In Order to achieve Phase 1 compliance, the following policies must be finalized:

- GC-4, *Employee Performance Appraisals* (Published 09/06/2017)
- GC-11, *Employee Probationary Periods* (Published 12/07/2016)
- GC-12, *Hiring and Promotional Procedures* (Published 02/01/2017)

These policies have been published and the requirements of this paragraph are memorialized in the policies. The MCSO requests Phase 1 compliance.

When a promotional list is established, the PSB receives the eligibility list, and prior to any finalized promotion, the PSB conducts a disciplinary check, the results of which are provided to those in executive command who are responsible for considering eligible candidates for promotion. The MCSO is diligently working to once again achieve Phase 2 compliance.

Paragraph 174. *Employees' and applicants' disciplinary history shall be considered in all hiring, promotion, and transfer decisions, and this consideration shall be documented. Employees and applicants whose disciplinary history demonstrates multiple sustained allegations of misconduct, or one sustained allegation of a Category 6 or Category 7 offense from MCSO's disciplinary matrices, shall be presumptively ineligible for hire or promotion. MCSO shall provide a written justification for hiring or promoting an employee or applicant who has a history demonstrating multiple sustained allegations of misconduct or a sustained Category 6 or Category 7 offense. This written justification shall be included in the employee's employment file and, during the period that the MCSO is subject to Monitor oversight, provided to the Monitor.*

MCSO is in Phase 1 and Phase 2 compliance with Paragraph 174.

Paragraph 175. *As soon as practicable, commanders shall review the disciplinary history of all employees who are transferred to their command.*

MCSO is in Phase 1 compliance. MCSO is not in Phase 2 compliance.

The MCSO captures commanders review of the disciplinary history of all employees transferred into their command using supervisor notes in the Blue Team application. The MCSO provides the Monitor with monthly document productions to prove compliance with this Paragraph. The MCSO anticipates compliance rates will increase with the completion of the EIS Training.

Paragraph 176. *The quality of investigators' internal affairs investigations and Supervisors' reviews of investigations shall be taken into account in their performance evaluations.*

Based on the Monitor's 14th Quarterly Report **MCSO achieved Phase 1 compliance.** MCSO is not in Phase 2 compliance.

MCSO will continue to provide the Monitor with copies of completed EPA's so that Phase 2 compliance can be assessed.

Paragraph 177. *There shall be no procedure referred to as a "name-clearing hearing." All pre-disciplinary hearings shall be referred to as "pre-determination hearings," regardless of the employment status of the principal.*

MCSO is in Phase 1 and Phase 2 compliance.

Since the issuance of the Second Amended Second Supplemental Injunction/Judgement Order there have been no name clearing hearings conducted.

Paragraph 178. *Within three months of the finalization of these policies consistent with ¶ 165 of this Order, the Sheriff will have provided all Supervisors and all personnel assigned to the Professional Standards Bureau with 40 hours of comprehensive training on conducting employee misconduct investigations. This training shall be delivered by a person with subject matter expertise in misconduct investigation who shall be approved by the Monitor. This training will include instruction in:*

- a. *investigative skills, including proper interrogation and interview techniques, gathering and objectively analyzing evidence, and data and case management;*
- b. *the particular challenges of administrative law enforcement misconduct investigations, including identifying alleged misconduct that is not clearly stated in the complaint, or that becomes apparent during the investigation;*
- c. *properly weighing the credibility of civilian witnesses against employees;*

The Monitor agreed to assist MCSO by providing subject matter expertise in the initial development of the 40 hour comprehensive training on conducting employee misconduct investigations required pursuant to Paragraph 178. The PSB actively consulted with the Monitor and provided information and feedback on a plan of instruction, proposed lesson plan, and training schedule.

During the last reporting period, the PSB finalized the 40 hour curriculum; completed the Train the Trainer sessions with technical assistance from the Monitor Team; and provided training to supervisors who conduct misconduct investigations. The training was completed in November 2017 with over 94% compliance.

MCSO requests Phase 2 compliance.

Paragraph 179. *All Supervisors and all personnel assigned to the Professional Standards Bureau also will receive eight hours of in-service training annually related to conducting misconduct investigations. This training shall be delivered by a person with subject matter expertise in misconduct investigation who shall be approved by the Monitor.*

The Professional Standards Bureau Operations Manual, which incorporates the requirements of this paragraph, is currently under revision.

The training required by Paragraph 179 becomes applicable one year after the initial misconduct training is offered.

Paragraph 180. *Within three months of the finalization of these policies consistent with ¶ 165 of this Order, the Sheriff will provide training that is adequate in quality, quantity, scope, and type, as determined by the Monitor, to all employees on MCSO's new or revised policies related to misconduct investigations, discipline, and grievances. This training shall include instruction on identifying and reporting misconduct, the consequences for failing to report misconduct, and the consequences for retaliating against a person for reporting misconduct or participating in a misconduct investigation.*

MCSO is in achieved Phase 1 compliance and based on the Monitor's 14th Quarterly Report, **MCSO achieved Phase 2 compliance.**

The Monitor agreed to assist MCSO by providing subject matter expertise in the initial development of the 40 hour comprehensive training on conducting employee misconduct investigations required pursuant to Paragraph 178. The PSB actively consulted with the Monitor and provided information and feedback on a plan of instruction, proposed lesson plan, and training schedule.

During this reporting period, PSB finalized the 40 hour curriculum; completed the Train the Trainer sessions with technical assistance from the Monitor Team; and provided training to supervisors who conduct misconduct investigations. The training was completed in November 2017 with over 94% compliance.

Paragraph 181. *Within three months of the finalization of these policies consistent with ¶ 165 of this Order, the Sheriff will provide training that is adequate in quality, quantity, scope, and type, as determined by the Monitor, to all employees, including dispatchers, to properly handle civilian complaint intake, including how to provide complaint materials and information, and the consequences for failing to take complaints.*

MCSO is in achieved Phase 1 compliance and based on the Monitor's 14th Quarterly Report, MCSO Phase 2 compliance is deferred.

The Monitor agreed to assist MCSO by providing subject matter expertise in the initial development of the 40 hour comprehensive training on conducting employee misconduct investigations required pursuant to Paragraph 178. The PSB actively consulted with the Monitor and provided information and feedback on a plan of instruction, proposed lesson plan, and training schedule.

During this reporting period, PSB finalized the 40 hour curriculum; completed the Train the Trainer sessions with technical assistance from the Monitor Team; and provided training to supervisors who conduct misconduct investigations. The training was completed in November 2017 with 94% compliance.

MCSO requests Phase 2 compliance.

Paragraph 182. *Within three months of the finalization of these policies consistent with ¶ 165 of this Order, the Sheriff will provide training that is adequate in quality, quantity, scope, and type, as determined by the Monitor, to all Supervisors on their obligations when called to a scene by a subordinate to accept a civilian complaint about that subordinate's conduct and on their obligations when they are phoned or emailed directly by a civilian filing a complaint against one of their subordinates.*

MCSO is in achieved Phase 1 compliance and based on the Monitor's 14th Quarterly Report, **MCSO achieved Phase 2 compliance.**

During this reporting period MCSO delivered the following training classes, SRELE, ACT, EIS and Misconduct Investigation training.

Paragraph 184. *All findings will be based on the appropriate standard of proof. These standards will be clearly delineated in policies, training, and procedures, and accompanied by detailed examples to ensure proper application by internal affairs investigators.*

MCSO is in Phase 1 compliance. MCSO is not in Phase 2 compliance.

MCSO provides documents to the Monitor on a monthly basis to assess compliance with this Paragraph and continues to work toward Phase 2 compliance with Paragraph 184.

Paragraph 185. *Upon receipt of any allegation of misconduct, whether internally discovered or based upon a civilian complaint, employees shall immediately notify the Professional Standards Bureau.*

Based on the Monitor's 14th Quarterly Report **MCSO is in Phase 1 compliance and Phase 2 compliance.**

Paragraph 186. *Effective immediately, the Professional Standards Bureau shall maintain a centralized electronic numbering and tracking system for all allegations of misconduct, whether internally discovered or based upon a civilian complaint. Upon being notified of any allegation of misconduct, the Professional Standards Bureau will promptly assign a unique identifier to the incident. If the allegation was made through a civilian complaint, the unique identifier will be provided to the complainant at the time the complaint is made. The Professional Standards Bureau's centralized numbering and tracking system will maintain accurate and reliable data regarding the number, nature, and status of all misconduct allegations, from initial intake to final disposition, including investigation timeliness and notification to the complainant of the interim*

status, if requested, and final disposition of the complaint. The system will be used to determine the status of misconduct investigations, as well as for periodic assessment of compliance with relevant policies and procedures and this Order, including requirements of timeliness of investigations. The system also will be used to monitor and maintain appropriate caseloads for internal affairs investigators.

Based on the Monitor's 14th Quarterly Report **MCSO is in Phase 1 compliance**. Phase 2 compliance was withdrawn for not meeting the requirements for two consecutive reporting periods.

The MCSO practices the requirements of this paragraph by utilizing the IA Pro database. It serves as the centralized electronic numbering and tracking system for all allegations of misconduct, whether internally or externally discovered; provides a unique identifier to all misconduct complaints; maintains electronic investigative files of all documents relating to misconduct investigations and discipline; and sends alerts when deadlines are not met. The Monitor has access to the IA Pro database and has periodically audited and reviewed the system.

MCSO practices the requirements of Paragraph 186 and continues to work toward regaining Phase 2 compliance.

Paragraph 187. *The Professional Standards Bureau shall maintain a complete file of all documents within the MCSO's custody and control relating to any investigations and related disciplinary proceedings, including pre-determination hearings, grievance proceedings, and appeals to the Maricopa County Law Enforcement Merit System Council or a state court.*

MCSO is in Phase 1 and Phase 2 compliance with paragraph 187.

PSB continues to comply with this paragraph as it maintains both hard copy and electronic files, which contain all documents required for compliance with this paragraph. The Monitor has access to the IA Pro database and has periodically audited and reviewed the content of both hard copy and electronic files to ensure the file is complete.

Paragraph 188. *Upon being notified of any allegation of misconduct, the Professional Standards Bureau will make an initial determination of the category of the alleged offense, to be used for the purposes of assigning the administrative investigation to an investigator. After initially categorizing the allegation, the Professional Standards Bureau will promptly assign an internal affairs investigator.*

MCSO is in Phase 1 and Phase 2 compliance with paragraph 188.

During the Monitor Team's technical assistance visit in August 2016, it was determined that compliance with this paragraph would be based upon the PSB's determination of the initial allegations, not which category of offense is determined once the investigation is completed.

The PSB also classifies some complaints as service complaints. The PSB initiated a process and complaint tracking system for these complaints. Lastly, the PSB Commander has the discretion to determine that internal complaints alleging minor policy violations can be documented and addressed without a formal investigation if certain criteria exist.

Paragraph 189. *The Professional Standards Bureau shall administratively investigate:*

- a. *misconduct allegations of a serious nature, including any allegation that may result in suspension, demotion, or termination; and*
- b. *misconduct indicating apparent criminal conduct by an employee.*

MCSO is in Phase 1 and Phase 2 compliance with paragraph 189.

Paragraph 190. *Allegations of employee misconduct that are of a minor nature may be administratively investigated by a trained and qualified Supervisor in the employee's District.*

Based on the Monitor's 14th Quarterly Report **MCSO is in Phase 1 compliance.** Phase 2 compliance remains deferred.

The requirements to meet Phase 2 compliance of this Paragraph have been included in the required Misconduct Training Lesson Plan. MCSO began delivering that training to all supervisors in September 2017. The training was completed in November 2017 with 94% compliance.

MCSO requests Phase 2 compliance.

Paragraph 191. *If at any point during a misconduct investigation an investigating Supervisor outside of the Professional Standards Bureau believes that the principal may have committed misconduct of a serious or criminal nature, he or she shall immediately notify the Professional Standards Bureau, which shall take over the investigation.*

MCSO is in Phase 1 and Phase 2 compliance with paragraph 191.

Paragraph 192. *The Professional Standards Bureau shall review, at least semi-annually, all investigations assigned outside the Bureau to determine, among the other matters set forth in ¶ 251 below, whether the investigation is properly categorized, whether the investigation is being properly conducted, and whether appropriate findings have been reached.*

Based on the Monitor's 14th Quarterly Report MCSO is not in Phase 1 compliance or Phase 2 compliance.

In Order to achieve Phase 1 compliance, the following policies must be finalized:

- Professional Standards Bureau Operations Manual, (currently under revision)

The PSB reviews all cases assigned outside of the PSB to determine whether the investigation has been properly conducted are thorough and complete, and appropriate findings have been reached, prior to the final acceptance at the PSB. Additionally, PSB personnel have visited the districts to provide assistance during the investigation to assist in identifying allegations and policy violations; assist with interviews and report writing; and the determination of findings. This is done in "real time."

Lastly, the PSB management analyst assesses the required data necessary to produce semi-annual reviews of misconduct investigations pursuant to Paragraph 251. Consistent with the Court's Order, Paragraph 251, in June 2017 PSB published on the MCSO website its first Semi-Annual Public Report on Misconduct Investigations, July – December 2016.

MCSO continues to work towards Phase 1 and Phase 2 compliance with Paragraph 192.

Paragraph 193. *When a single act of alleged misconduct would constitute multiple separate policy violations, all applicable policy violations shall be charged, but the most serious policy violation shall be used for determining the category of the offense. Exoneration on the most serious offense does not preclude discipline as to less serious offenses stemming from the same misconduct.*

MCSO is in Phase 1 and Phase 2 compliance with paragraph 193.

Paragraph 194. *The Commander of the Professional Standards Bureau shall ensure that investigations comply with MCSO policy and all requirements of this Order, including those related to training, investigators' disciplinary backgrounds, and conflicts of interest.*

Based on the Monitor's 14th Quarterly Report MCSO is not in Phase 1 compliance or Phase 2 compliance.

In Order to achieve Phase 1 compliance, the following policies must be finalized:

- CP-2, *Code of Conduct* (Published 01/06/2017)
- CP-3, *Workplace Professionalism* (Published 12/15/2016)
- CP-5, *Truthfulness* (Published 12/21/2016)
- CP-11, *Anti-Retaliation* (Published 12/01/2016)
- GH-2, *Internal Investigations* (Published 05/18/2017)
- GC-16, *Employee Grievance Procedures* (Published 01/06/2017)
- GC-17, *Employee Disciplinary* (Published 05/18/2017)
- Compliance Division Operations Manual (currently under revision)
- Professional Standards Bureau Operations Manual, (currently under revision)

Pursuant to Paragraph 165, MCSO published MCSO Policies GH-2, *Internal Investigations* and GC-17, *Employee Disciplinary Procedure*. Additionally, the PSB and Compliance Division's Operations Manuals are currently under revision.

MCSO continues to work toward Phase 1 and Phase 2 compliance with Paragraph 194.

Paragraph 195. *Within six months of the entry of this Order, the Professional Standards Bureau shall include sufficient trained personnel to fulfill the requirements of this Order.*

Based on the Monitor's 14th Quarterly Report MCSO is not in Phase 1 compliance. Phase 2 compliance is deferred.

In Order to achieve Phase 1 compliance, the Professional Standards Bureau Operations Manual must be finalized. It is currently under revision.

The PSB consistently reassesses staffing needs and adjusts accordingly based upon the fluctuating number of complaints received. During the Third Quarter of 2017, PSB finalized curriculum for the 40 hours of comprehensive training on conducting employee misconduct investigations; completed Train-the-Trainer sessions with technical assistance from the Monitor Team in September 2017; and commenced with the training in September 2017. The training was completed in November 2017.

During this and the previous two reporting periods, PSB was insufficiently staffed to investigate the increased number of complaints it received and division reviews it conducted.

MCSO will continue to strive toward Phase 1 and Phase 2 compliance.

Paragraph 196. *Where appropriate to ensure the fact and appearance of impartiality, the Commander of the Professional Standards Bureau or the Chief Deputy may refer administrative misconduct investigations to another law enforcement agency or may retain a qualified outside investigator to conduct the investigation. Any outside investigator retained by the MCSO must possess the requisite background and level of experience of Internal Affairs investigators and must be free of any actual or perceived conflicts of interest.*

MCSO is in Phase 1 and Phase 2 compliance with paragraph 196.

Paragraph 197. *The Professional Standards Bureau will be headed by a qualified Commander. The Commander of the Professional Standards Bureau will have ultimate authority within the MCSO for reaching the findings of investigations and preliminarily determining any discipline to be imposed. If the Sheriff declines to designate a qualified Commander of the Professional Standards Bureau, the Court will designate a qualified candidate, which may be a Civilian Director in lieu of a sworn officer.*

Based on the Monitor's 14th Quarterly Report MCSO is not in Phase 1 compliance. **MCSO is in Phase 2 compliance.**

In Order to achieve Phase 1 compliance, the following policies must be finalized:

- GH-2, *Internal Investigations* (Published 05/18/2017)
- GC-17, *Employee Disciplinary* (Published 05/18/2017)
- Compliance Division Operations Manual (currently under revision)
- Professional Standards Bureau Operations Manual, (currently under revision)

MCSO practices the requirements of this Paragraph and MCSO continues to work on the finalization of the PSB Operations Manual and Compliance Division Operations Manual.

Paragraph 198. *To promote independence and the confidentiality of investigations, the Professional Standards Bureau shall be physically located in a facility that is separate from other MCSO facilities, such as a professional office building or commercial retail space. This facility shall be easily accessible to the public, present a non-intimidating atmosphere, and have sufficient space and personnel for receiving members of the public and for permitting them to file complaints.*

Based on the Monitor's 14th Quarterly Report, MCSO Phase 1 compliance is not applicable. Phase 2 compliance is deferred.

The MCSO identified the Maricopa County Superior Court East Court Building as a viable location for the PSB off site location. This location is separate from other MCSO facilities, is easily accessible to the public, and has sufficient space for personnel to receive members of the public, allowing them to file comments and complaints. In February the Monitor had no objections to the utilization of this facility. The PSB is working with the Deputy County Manager to facilitate the capital improvements needed to house the PSB. The projected move-in date is June 2018.

Paragraph 199. *The MCSO will ensure that the qualifications for service as an internal affairs investigator shall be clearly defined and that anyone tasked with investigating employee misconduct possesses excellent investigative skills, a reputation for integrity, the ability to write clear reports, and the ability to be fair and objective in determining whether an employee committed misconduct. Employees with a history of multiple sustained misconduct allegations, or one sustained allegation of a Category 6 or Category 7 offense from MCSO's disciplinary matrices, will be presumptively ineligible to conduct misconduct investigations. Employees with a history of conducting deficient investigations will also be presumptively ineligible for these duties.*

MCSO is in Phase 1 and Phase 2 compliance with paragraph 199.

Upon issuance of the Second Amended Second Supplemental Injunction/Judgement Order, the PSB Commander conducted disciplinary checks on all sworn supervisors and all PSB Investigators to ensure their eligibility to conduct misconduct investigations in compliance with this paragraph.

Paragraph 200. *In each misconduct investigation, investigators shall:*

- a. *conduct investigations in a rigorous and impartial manner designed to determine the facts;*
- b. *approach investigations without prejudging the facts and without permitting any preconceived impression of the principal or any witness to cloud the Investigation;*
- c. *identify, collect, and consider all relevant circumstantial, direct, and physical evidence, including any audio or video recordings;*
- d. *make reasonable attempts to locate and interview all witnesses, including civilian witnesses;*
- e. *make reasonable attempts to interview any civilian complainant in person;*
- f. *audio and video record all interviews;*
- g. *when conducting interviews, avoid asking leading questions and questions that may suggest justifications for the alleged misconduct;*
- h. *make credibility determinations, as appropriate; and*
- i. *attempt to resolve material inconsistencies between employee, complainant, and witness statements.*

Based on the Monitor's 14th Quarterly Report **MCSO is in Phase 1 compliance and MCSO achieved Phase 2 compliance.**

Paragraph 201. *There will be no automatic preference for an employee's statement over a non-employee's statement. Internal affairs investigators will not disregard a witness's statement solely because the witness has some connection to either the complainant or the employee or because the witness or complainant has a criminal history, but may consider the witness's criminal history or any adjudicated findings of untruthfulness in evaluating that witness's statement. In conducting the investigation, internal affairs investigators may take into account the record of any witness, complainant, or officer who has been determined to have been deceptive or untruthful in any legal proceeding, misconduct investigation, or other investigation.*

MCSO is in Phase 1 and Phase 2 compliance with paragraph 201.

Paragraph 202. Internal affairs investigators will investigate any evidence of potential misconduct uncovered during the course of the investigation, regardless of whether the potential misconduct was part of the original allegation.

MCSO is in Phase 1 and Phase 2 compliance with paragraph 202.

Paragraph 203. If the person involved in the encounter with the MCSO pleads guilty or is found guilty of an offense, internal affairs investigators will not consider that information alone to be determinative of whether an MCSO employee engaged in misconduct, nor will it by itself justify discontinuing the investigation. MCSO training materials and policies on internal investigations will acknowledge explicitly that the fact of a criminal conviction related to the administrative investigation is not determinative of whether an MCSO employee engaged in misconduct and that the mission of an internal affairs investigator is to determine whether any misconduct occurred.

MCSO is in Phase 1 and Phase 2 compliance with paragraph 203.

Paragraph 204. Internal affairs investigators will complete their administrative investigations within 85 calendar days of the initiation of the investigation (60 calendar days if within a Division). Any request for an extension of time must be approved in writing by the Commander of the Professional Standards Bureau. Reasonable requests for extensions of time may be granted.

MCSO is in Phase 1 compliance and based on the Monitor's 14th Quarterly Report, MCSO is not in Phase 2 compliance.

The MCSO continues to work toward Phase 2 compliance with Paragraph 204.

Paragraph 205. The Professional Standards Bureau shall maintain a database to track all ongoing misconduct cases, and shall generate alerts to the responsible investigator and his or her Supervisor and the Commander of the Professional Standards Bureau when deadlines are not met.

Based on the Monitor's 14th Quarterly Report MCSO is not in Phase 1 compliance. **MCSO is in Phase 2 compliance.**

The PSB continues to comply with this paragraph by utilizing the IA Pro database. It serves as the centralized electronic numbering and tracking system for all allegations of misconduct, whether internally or externally discovered; provides a unique identifier to all misconduct complaints; maintains electronic investigative files of all documents relating to misconduct investigations and discipline; and sends alerts when deadlines are not met. The Monitor has access to the IA Pro database and has periodically audited and reviewed the system.

Pursuant to Paragraph 165, MCSO published MCSO Policies GH-2, *Internal Investigations* and GC-17, *Employee Disciplinary Procedure* and the PSB Operations Manual is currently under revision.

Paragraph 206. At the conclusion of each investigation, internal affairs investigators will prepare an investigation report. The report will include:

- a. a narrative description of the incident;
- b. documentation of all evidence that was gathered, including names, phone numbers, and addresses of witnesses to the incident. In situations in which there are no known witnesses, the report will specifically state this fact. In situations in which witnesses were present but circumstances prevented the internal affairs investigator from determining the identification, phone number, or address of those witnesses, the report will state the reasons why. The

report will also include all available identifying information for anyone who refuses to provide a statement;

- c. documentation of whether employees were interviewed, and a transcript or recording of those interviews;*
- d. the names of all other MCSO employees who witnessed the incident;*
- e. the internal affairs investigator's evaluation of the incident, based on his or her review of the evidence gathered, including a determination of whether the employee's actions appear to be within MCSO policy, procedure, regulations, orders, or other standards of conduct required of MCSO employees;*
- f. in cases where the MCSO asserts that material inconsistencies were resolved, explicit credibility findings, including a precise description of the evidence that supports or detracts from the person's credibility;*
- g. in cases where material inconsistencies must be resolved between complainant, employee, and witness statements, explicit resolution of the inconsistencies, including a precise description of the evidence relied upon to resolve the inconsistencies;*
- h. an assessment of the incident for policy, training, tactical, or equipment concerns, including any recommendations for how those concerns will be addressed;*
- i. if a weapon was used, documentation that the employee's certification and training for the weapon were current; and*
- j. documentation of recommendations for initiation of the disciplinary process; and*
- k. in the instance of an externally generated complaint, documentation of all contacts and updates with the complainant.*

MCSO is in Phase 1 and Phase 2 compliance with paragraph 206.

Paragraph 207. *In assessing the incident for policy, training, tactical, or equipment concerns, investigation reports will include an assessment of whether:*

- a. the law enforcement action was in compliance with training and legal standards;*
- b. the use of different tactics should or could have been employed;*
- c. the incident indicates a need for additional training, counseling, or other non-disciplinary corrective actions; and*
- d. the incident suggests that the MCSO should revise its policies, strategies, tactics, or training.*

MCSO is in Phase 1 and Phase 2 compliance with paragraph 207.

Paragraph 208. *For each allegation of misconduct, internal affairs investigators shall explicitly identify and recommend one of the following dispositions for each allegation of misconduct in an administrative investigation:*

- a. "Unfounded," where the investigation determines, by clear and convincing evidence, that the allegation was false or not supported by fact;*
- b. "Sustained," where the investigation determines, by a preponderance of the evidence, that the alleged misconduct did occur and justifies a reasonable conclusion of a policy violation;*

- c. *“Not Sustained,” where the investigation determines that there is insufficient evidence to prove or disprove the allegation; or*
- d. *“Exonerated,” where the investigation determines that the alleged conduct did occur but did not violate MCSO policies, procedures, or training.*

MCSO is Phase 1 compliance. MCSO is not in Phase 2 compliance.

MCSO practices the requirements of this paragraph and continues to work towards Phase 2 compliance.

Paragraph 209. *For investigations carried out by Supervisors outside of the Professional Standards Bureau, the investigator shall forward the completed investigation report through his or her chain of command to his or her Division Commander. The Division Commander must approve the investigation and indicate his or her concurrence with the findings.*

MCSO is in Phase 1 and Phase 2 compliance with paragraph 209.

Paragraph 210. *For investigations carried out by the Professional Standards Bureau, the investigator shall forward the completed investigation report to the Commander.*

MCSO is in Phase 1 and Phase 2 compliance with paragraph 210.

Paragraph 211. *If the Commander—meaning the Commander of the PSB or the Commander of the Division in which the internal affairs investigation was conducted—determines that the findings of the investigation report are not supported by the appropriate standard of proof, the Commander shall return the investigation to the investigator for correction or additional investigative effort, shall document the inadequacies, and shall include this documentation as an addendum to the original investigation. The investigator’s Supervisor shall take appropriate action to address the inadequately supported determination and any investigative deficiencies that led to it. The Commander shall be responsible for the accuracy and completeness of investigation reports prepared by internal affairs investigators under his or her command.*

Based on the Monitor’s 14th Quarterly Report **MCSO is in Phase 1 compliance.** MCSO is not in Phase 2 compliance.

The PSB took a proactive approach and continued to review all division level investigations and provide written feedback to division level investigators and their chains of command to: improve the thoroughness of the investigations; obtain structure and consistency in format; ensure the inclusion of proper forms; and provide assistance with future investigations. The intent of the feedback is to evaluate, educate, assist and provide suggestions for future division level investigations. The PSB also provided feedback regarding the efficiency and thoroughness with which the divisions undertake and complete administrative investigations. Lastly, the PSB reviewed division cases for quality control prior to final submission to the appointing authority for final findings. The PSB continues to monitor and track investigative deficiencies that occur at the division level. Deficiencies are documented and the case is returned to the division level. The deficiency documentation is placed with the case file.

MCSO will continue to work toward Phase 2 compliance.

Paragraph 212. *Where an internal affairs investigator conducts a deficient misconduct investigation, the investigator shall receive the appropriate corrective and/or disciplinary action. An internal affairs investigator’s failure to improve the quality of his or her investigations after*

corrective and/or disciplinary action is taken shall be grounds for demotion and/or removal from a supervisory position or the Professional Standards Bureau.

Based on the Monitor's 14th Quarterly Report, MCSO is not in Phase 1 compliance. Phase 2 compliance is deferred.

In Order to achieve Phase 1 compliance, the following policies must be finalized:

- GB-2, *Command Responsibility* (Published 01/31/2017)
- GC-4, *Employee Performance Appraisals* (Published 09/06/2017)

The Monitor's 14th Quarterly Report noted Phase 2 compliance will be deferred until the MCSO completes the 40-hour training for supervisory personnel on conducting internal investigations. During the Third Quarter of 2017, PSB finalized curriculum for the 40 hours of comprehensive training on conducting employee misconduct investigations; completed Train-the-Trainer sessions with technical assistance from the Monitor Team in September 2017; and commenced with the training in September 2017. The training was completed in November 2017.

MCSO requests Phase 1 and Phase 2 compliance with paragraph 212.

Paragraph 213. *Investigations of minor misconduct conducted outside of the Professional Standards Bureau must be conducted by a Supervisor and not by line-level deputies. After such investigations, the investigating Supervisor's Commander shall forward the investigation file to the Professional Standards Bureau after he or she finds that the misconduct investigation is complete and the findings are supported by the evidence. The Professional Standards Bureau shall review the misconduct investigation to ensure that it is complete and that the findings are supported by the evidence. The Professional Standards Bureau shall order additional investigation when it appears that there is additional relevant evidence that may assist in resolving inconsistencies or improving the reliability or credibility of the findings. Where the findings of the investigation report are not supported by the appropriate standard of proof, the Professional Standards Bureau shall document the reasons for this determination and shall include this documentation as an addendum to the original investigation.*

MCSO is in Phase 1 and Phase 2 compliance with paragraph 213.

Paragraph 214. *At the discretion of the Commander of the Professional Standards Bureau, a misconduct investigation may be assigned or re-assigned to another Supervisor with the approval of his or her Commander, whether within or outside of the District or Bureau in which the incident occurred, or may be returned to the original Supervisor for further investigation or analysis. This assignment or re assignment shall be explained in writing.*

MCSO is in Phase 1 and Phase 2 compliance with paragraph 214.

Paragraph 215. *If, after an investigation conducted outside of the Professional Standards Bureau, an employee's actions are found to violate policy, the investigating Supervisor's Commander shall direct and ensure appropriate discipline and/or corrective action. Where the incident indicates policy, training, tactical, or equipment concerns, the Commander shall also ensure that necessary training is delivered and that policy, tactical, or equipment concerns are resolved.*

MCSO is in Phase 1 and Phase 2 compliance with paragraph 215.

Paragraph 216. *If, after an investigation conducted by the Professional Standards Bureau, an Employee's actions are found to violate policy; the Commander of the Professional Standards Bureau shall direct and ensure appropriate discipline and/or corrective action. Where the incident indicates policy, training, tactical, or equipment concerns, the Commander of the Professional Standards Bureau shall also ensure that necessary training is delivered and that policy, tactical, or equipment concerns are resolved.*

MCSO is in Phase 1 and Phase 2 compliance with paragraph 216.

Once an investigation is completed and the allegations are sustained, the PSB Commander initiates the discipline process. The PSB Commander reviews the case and provides a presumptive range of discipline for consideration. The Compliance Division then coordinates the discipline process with the Appointing Authority. If the investigation indicates a policy, training, tactical, or equipment deficiency, the PSB Commander notifies the Policy Section or the Training Division of an employee's training deficiency to ensure the necessary training is delivered.

Paragraph 217. *The Professional Standards Bureau shall conduct targeted and random reviews of discipline imposed by Commanders for minor misconduct to ensure compliance with MCSO policy and legal standards.*

MCSO is in Phase 1 compliance. Phase 2 compliance is not applicable.

District and Division Commanders do not impose discipline for minor misconduct. In all cases, the PSB Commander determines the final findings and the presumptive range of discipline for those sustained investigations. The Appointing Authority makes the final determination of discipline. All discipline is coordinated through the Compliance Division.

Paragraph 218. *The Professional Standards Bureau shall maintain all administrative investigation reports and files after they are completed for record-keeping in accordance with applicable law.*

MCSO is in Phase 1 and Phase 2 compliance with paragraph 218.

The PSB continues to comply with this paragraph by utilizing the IA Pro database. It serves as the centralized electronic numbering and tracking system for all allegations of misconduct, whether internally or externally discovered; provides a unique identifier to all misconduct complaints; maintains electronic investigative files of all documents relating to misconduct investigations and discipline; and sends alerts when deadlines are not met. The Monitor has access to the IA Pro database and has periodically audited and reviewed the system.

Paragraph 220. *To ensure consistency in the imposition of discipline, the Sheriff shall review the MCSO's current disciplinary matrices and, upon approval of the parties and the Monitor, will amend them as necessary to ensure that they:*

- a. establish a presumptive range of discipline for each type of violation;*
- b. increase the presumptive discipline based on an employee's prior violations;*
- c. set out defined mitigating and aggravating factors;*
- d. prohibit consideration of the employee's race, gender, gender identity, sexual orientation, national origin, age, or ethnicity;*
- e. prohibit conflicts, nepotism, or bias of any kind in the administration of discipline;*
- f. prohibit consideration of the high (or low) profile nature of the incident, including media coverage or other public attention;*

- g. *clearly define forms of discipline and define classes of discipline as used in policies and operations manuals;*
- h. *provide that corrective action such as coaching or training is not considered to be discipline and should not be used as a substitute for discipline where the matrix calls for discipline;*
- i. *provide that the MCSO will not take only non-disciplinary corrective action in cases in which the disciplinary matrices call for the imposition of discipline;*
- j. *provide that the MCSO will consider whether non-disciplinary corrective action is also appropriate in a case where discipline has been imposed;*
- k. *require that any departures from the discipline recommended under the disciplinary matrices be justified in writing and included in the employee's file; and*
- l. *provide a disciplinary matrix for unclassified management level employees that is at least as demanding as the disciplinary matrix for management level employees.*

Based on the Monitor's 14th Quarterly Report **MCSO is in Phase 1 compliance**. Phase 2 compliance is deferred.

Paragraph 221. *The Sheriff shall mandate that each act or omission that results in a sustained misconduct allegation shall be treated as a separate offense for the purposes of imposing discipline.*

MCSO is in Phase 1 and Phase 2 compliance with paragraph 221.

Paragraph 222. *The Sheriff shall also provide that the Commander of the Professional Standards Bureau shall make preliminary determinations of the discipline to be imposed in all cases and shall document those determinations in writing, including the presumptive range of discipline for the sustained misconduct allegation, and the employee's disciplinary history.*

MCSO is in Phase 1 and Phase 2 compliance with paragraph 222.

The PSB Commander documents in writing the presumptive range of discipline based upon the disciplinary matrix outlined in GC-17, Employee Disciplinary Procedure. Additionally, the category and offense number is provided and the investigative file includes the employee's disciplinary history.

Paragraph 223. *If the Commander of the Professional Standards Bureau makes a preliminary determination that serious discipline (defined as suspension, demotion, or termination) should be imposed, a designated member of MCSO's command staff will conduct a pre-determination hearing and will provide the employee with an opportunity to be heard.*

MCSO is in Phase 1 and Phase 2 compliance with paragraph 223.

Paragraph 224. *Pre-determination hearings will be audio and video recorded in their entirety, and the recording shall be maintained with the administrative investigation file.*

MCSO is in Phase 1 and Phase 2 compliance with paragraph 224.

Paragraph 225. *If an employee provides new or additional evidence at a pre-determination hearing, the hearing will be suspended and the matter will be returned to the internal affairs investigator for consideration or further investigation, as necessary. If after any further investigation or consideration of the new or additional evidence, there is no change in the determination of preliminary discipline, the matter will go back to the pre-determination hearing.*

The Professional Standards Bureau shall initiate a separate misconduct investigation if it appears that the employee intentionally withheld the new or additional evidence during the initial misconduct investigation.

MCSO is in Phase 1 and Phase 2 compliance with paragraph 225.

Paragraph 226. *If the designated member of MCSO's command staff conducting the pre-determination hearing does not uphold the charges recommended by the Professional Standards Bureau in any respect, or does not impose the Commander of the Professional Standards Bureau's recommended discipline and/or non-disciplinary corrective action, the Sheriff shall require the designated member of MCSO's command staff to set forth in writing his or her justification for doing so. This justification will be appended to the investigation file.*

Based on the Monitor's 14th Quarterly Report **MCSO is in Phase 1 compliance.** MCSO is not in Phase 2 compliance.

The MCSO continues to work toward Phase 2 compliance.

Paragraph 227. *The Sheriff shall promulgate MCSO policy which shall provide that the designated member of MCSO's command staff conducting a pre-determination hearing should apply the disciplinary matrix and set forth clear guidelines for the grounds on which a deviation is permitted. The Sheriff shall mandate that the designated member of MCSO's command staff may not consider the following as grounds for mitigation or reducing the level of discipline prescribed by the matrix:*

- a. his or her personal opinion about the employee's reputation;*
- b. the employee's past disciplinary history (or lack thereof), except as provided in the disciplinary matrix;*
- c. whether others were jointly responsible for the misconduct, except that the MCSO disciplinary decision maker may consider the measure of discipline imposed on other employees involved to the extent that discipline on others had been previously imposed and the conduct was similarly culpable.*

MCSO is in Phase 1 and Phase 2 compliance with paragraph 227.

Paragraph 228. *The Sheriff or his designee has the authority to rescind, revoke or alter any disciplinary decision made by either the Commander of the Professional Standards Bureau or the appointed MCSO disciplinary authority so long as:*

- a. that decision does not relate to the Sheriff or his designee;*
- b. the Sheriff or his designee provides a thorough written and reasonable explanation for the grounds of the decision as to each employee involved;*
- c. the written explanation is placed in the employment files of all employees who were affected by the decision of the Sheriff or his designee; and*
- d. the written explanation is available to the public upon request.*

MCSO is in Phase 1 and Phase 2 compliance with paragraph 228.

Paragraph 229. *Whenever an internal affairs investigator or Commander finds evidence of misconduct indicating apparent criminal conduct by an employee, the Sheriff shall require that the internal affairs investigator or Commander immediately notify the Commander of the Professional Standards Bureau. If the administrative misconduct investigation is being conducted by a*

Supervisor outside of the Professional Standards Bureau, the Sheriff shall require that the Professional Standards Bureau immediately take over the administrative investigation. If the evidence of misconduct pertains to someone who is superior in rank to the Commander of the Professional Standards Bureau and is within the Commander's chain of command, the Sheriff shall require the Commander to provide the evidence directly to what he or she believes is the appropriate prosecuting authority—the Maricopa County Attorney, the Arizona Attorney General, or the United States Attorney for the District of Arizona—without notifying those in his or her chain of command who may be the subject of a criminal investigation.

MCSO is in Phase 1 and Phase 2 compliance with paragraph 229.

Paragraph 230. *If a misconduct allegation will be investigated criminally, the Sheriff shall require that the Professional Standards Bureau not compel an interview of the principal pursuant to Garrity v. New Jersey, 385 U.S. 493 (1967), until it has first consulted with the criminal investigator and the relevant prosecuting authority. No other part of the administrative investigation shall be held in abeyance unless specifically authorized by the Commander of the Professional Standards Bureau in consultation with the entity conducting the criminal investigation. The Sheriff shall require the Professional Standards Bureau to document in writing all decisions regarding compelling an interview, all decisions to hold any aspect of an administrative investigation in abeyance, and all consultations with the criminal investigator and prosecuting authority.*

MCSO is in Phase 1 and Phase 2 compliance with paragraph 230.

Paragraph 231. *The Sheriff shall require the Professional Standards Bureau to ensure that investigators conducting a criminal investigation do not have access to any statements by the principal that were compelled pursuant to Garrity.*

MCSO is in Phase 1 and Phase 2 compliance with paragraph 231.

The PSB Criminal Section and Administrative Section are located on different floors within the Headquarters Building. The Criminal Investigators do not have access to the IA Pro data base for administrative investigations; and there are separate file rooms for criminal and administrative investigative documents.

Paragraph 232. *The Sheriff shall require the Professional Standards Bureau to complete all such administrative investigations regardless of the outcome of any criminal investigation, including cases in which the prosecuting agency declines to prosecute or dismisses the criminal case after the initiation of criminal charges. The Sheriff shall require that all relevant provisions of MCSO policies and procedures and the operations manual for the Professional Standards Bureau shall remind members of the Bureau that administrative and criminal cases are held to different standards of proof, that the elements of a policy violation differ from those of a criminal offense, and that the purposes of the administrative investigation process differ from those of the criminal investigation process.*

MCSO is in Phase 1 and Phase 2 compliance with paragraph 232.

Paragraph 233. *If the investigator conducting the criminal investigation decides to close the investigation without referring it to a prosecuting agency, this decision must be documented in writing and provided to the Professional Standards Bureau. The Commander of the Professional Standards Bureau shall separately consider whether to refer the matter to a prosecuting agency and shall document the decision in writing.*

MCSO is in Phase 1 and Phase 2 compliance with paragraph 233.

Paragraph 234. *If the investigator conducting the criminal investigation decides to refer the matter to a prosecuting agency, the Professional Standards Bureau shall review the information provided to the prosecuting agency to ensure that it is of sufficient quality and completeness. The Commander of the Professional Standards Bureau shall direct that the investigator conduct additional investigation when it appears that there is additional relevant evidence that may improve the reliability or credibility of the investigation. Such directions shall be documented in writing and included in the investigatory file.*

MCSO is in Phase 1 and Phase 2 compliance with paragraph 234.

Paragraph 235. *If the prosecuting agency declines to prosecute or dismisses the criminal case after the initiation of criminal charges, the Professional Standards Bureau shall request an explanation for this decision, which shall be documented in writing and appended to the criminal investigation report.*

MCSO is in Phase 1 and Phase 2 compliance with paragraph 235.

Paragraph 236. *The Sheriff shall require the Professional Standards Bureau to maintain all criminal investigation reports and files after they are completed for record-keeping in accordance with applicable law.*

MCSO is in Phase 1 and Phase 2 compliance with paragraph 236.

The PSB continues to comply with this paragraph by utilizing the IA Pro database. It serves as the centralized electronic numbering and tracking system for all allegations of misconduct, whether internally or externally discovered; provides a unique identifier to all misconduct complaints; maintains electronic investigative files of all documents relating to misconduct investigations and discipline; and sends alerts when deadlines are not met. The Monitor has access to the IA Pro database and has periodically audited and reviewed the system.

Paragraph 238. *The Sheriff shall require the MCSO to accept all civilian complaints, whether submitted verbally or in writing; in person, by phone, by mail, or online; by a complainant, someone acting on the complainant's behalf, or anonymously; and with or without a signature from the complainant. MCSO will document all complaints in writing.*

MCSO is in Phase 1 and Phase 2 compliance with paragraph 238.

Paragraph 239. *In locations clearly visible to members of the public at the reception desk at MCSO headquarters and at all District stations, the Sheriff and the MCSO will post and maintain permanent placards clearly and simply describing the civilian complaint process that is visible to the public at all hours. The placards shall include relevant contact information, including telephone numbers, email addresses, mailing addresses, and Internet sites. The placards shall be in both English and Spanish.*

MCSO is in Phase 1 and Phase 2 compliance.

Paragraph 240. *The Sheriff shall require all deputies to carry complaint forms in their MCSO vehicles. Upon request, deputies will provide individuals with complaint forms and information about how to file a complaint, their name and badge number, and the contact information, including telephone number and email address, of their immediate supervising officer. Paragraph 241. *The Sheriff will ensure that the Professional Standards Bureau facility is easily accessible to members of the public. There shall be a space available for receiving walk-in visitors and personnel who can assist the public with filing complaints and/or answer an individual's questions about the complaint investigation process.*

MCSO is not in Phase 2 compliance. Phase 1 compliance is not applicable.

Paragraph 198 requires that the PSB be located in a facility that is separate from other MCSO facilities; and be easily accessible to the public, with sufficient space and personnel for receiving members of the public. The MCSO identified the Maricopa County Superior Court East Court Building as a viable location for the PSB off site location. This location is separate from other MCSO facilities, is easily accessible to the public, and has sufficient space for personnel to receive members of the public, allowing them to file comments and complaints. In February the Monitor had no objections to the utilization of this facility. The PSB is working with the Deputy County Manager to facilitate the capital improvements needed to house the PSB. {The Monitor deferred Phase 2 compliance with Paragraph 198.}

Based on the Monitor's 12th, 13th and 14th Quarterly Report, MCSO is not in Phase 2 compliance with Paragraph 241. Monitor comments regarding the requirements of this paragraph identify and discuss the facility for PSB's future off site location. The PSB's current location, within the MCSO Headquarters building, meets all the requirements of this paragraph; and compliance with this paragraph should consider the current location rather than the future location.

The MCSO requests Phase 2 be deferred with Paragraph 241 since the issuance of the Second Amended Permanent Injunction Order; as in Paragraph 198.

Paragraph 242. *The Sheriff will also make complaint forms widely available at locations around the County including: the websites of MCSO and Maricopa County government; the lobby of MCSO's headquarters; each patrol District; and the Maricopa County government offices. The Sheriff will ask locations, such as public library branches and the offices and gathering places of community groups, to make these materials available.*

MCSO is in Phase 1 and Phase 2 compliance.

Paragraph 243. *The Sheriff shall establish a free, 24-hour hotline for members of the public to make complaints.*

MCSO is in Phase 1 and Phase 2 compliance with paragraph 243.

PSB established a free, 24 hour hotline for members of the public to make complaints. The hotline was activated in August 2016, with greetings and instructions in both English and Spanish.

Paragraph 244. *The Sheriff shall ensure that the MCSO's complaint form does not contain any language that could reasonably be construed as discouraging the filing of a complaint, such as warnings about the potential criminal consequences for filing false complaints.*

MCSO is in Phase 1 and Phase 2 compliance.

Paragraph 245. *Within two months of the entry of this Order, complaint forms will be made available at a minimum, in English and Spanish. The MCSO will make reasonable efforts to ensure that complainants who speak other languages (including sign language) and have limited English proficiency can file complaints in their preferred language. The fact that a complainant does not speak, read, or write in English, or is deaf or hard of hearing, will not be grounds to decline to accept or investigate a complaint.*

MCSO is in Phase 1 and Phase 2 compliance.

Paragraph 246. *In the course of investigating a civilian complaint, the Professional Standards Bureau will send periodic written updates to the complainant including:*

- a. within seven days of receipt of a complaint, the Professional Standards Bureau will send non anonymous complainants a written notice of receipt, including the tracking number assigned to the complaint and the name of the investigator assigned. The notice will inform the complainant how he or she may contact the Professional Standards Bureau to inquire about the status of a complaint;*

The MCSO continues to work toward Phase 2 compliance.

Paragraph 247. *Notwithstanding the above written communications, a complainant and/or his or her representative may contact the Professional Standards Bureau at any time to determine the status of his or her complaint. The Sheriff shall require the MCSO to update the complainant with the status of the investigation.*

MCSO is in Phase 1 and Phase 2 compliance with paragraph 247.

Paragraph 248. *The Professional Standards Bureau will track, as a separate category of complaints, allegations of biased policing, including allegations that a deputy conducted an investigatory stop or arrest based on an individual's demographic category or used a slur based on an individual's actual or perceived race, ethnicity, nationality, or immigration status, sex, sexual orientation, or gender identity. The Professional Standards Bureau will require that complaints of biased policing are captured and tracked appropriately, even if the complainant does not so label the allegation.*

MCSO is in Phase 1 and Phase 2 compliance with paragraph 248.

Each month the PSB provides to the Monitor a list of new complaints alleging bias policing. The PSB also provides all closed investigations where bias policing was alleged. Only allegations of

bias policing that does not affect the Plaintiff's Class are reported as they are tracked in a separate category.

Paragraph 249. *The Professional Standards Bureau will track, as a separate category of complaints, allegations of unlawful investigatory stops, searches, seizures, or arrests.*

MCSO is in Phase 1 and Phase 2 compliance with paragraph 249.

Each month the PSB provides a list of complaints alleging unlawful investigatory stops, searches and seizures, and arrests. The PSB also provides all closed investigations where unlawful investigatory stops, searches, seizures, or arrests were alleged.

Paragraph 250. *The Professional Standards Bureau will conduct regular assessments of the types of complaints being received to identify and assess potential problematic patterns and trends.*

Based on the Monitor's 14th Quarterly Report MCSO is not in Phase 1 or Phase 2 compliance.

In Order to achieve Phase 1 compliance, the PSB Operations Manual must be finalized. This manual is currently under revision.

The responsibilities of the PSB Management Analyst include tracking separate categories of complaints and allegations (Paragraphs 248-249); conducting assessments of the types of complaints received to identify and assess potential problematic patterns and trends (Paragraph 250); and producing a semi-annual public report on misconduct investigations (Paragraph 251). The MCSO continues to work toward compliance with Paragraph 250.

Paragraph 251. *The Sheriff shall require the Professional Standards Bureau to produce a semi-annual public report on misconduct investigations, including, at a minimum, the following:*

- a. *summary information, which does not name the specific employees involved, about any sustained allegations that an employee violated conflict-of-interest rules in conducting or reviewing misconduct investigations;*
- b. *aggregate data on complaints received from the public, broken down by district; rank of principal(s); nature of contact (traffic stop, pedestrian stop, call for service, etc.); nature of allegation (rudeness, bias-based policing, etc.); complainants' demographic information; complaints received from anonymous complainants or third parties; and principals' demographic information;*
- c. *analysis of whether any increase or decrease in the number of civilian complaints received from reporting period to reporting period is attributable to issues in the complaint intake process or other factors;*

In Order to achieve Phase 1 compliance, the Professional Standards Bureau Operations Manual must be finalized. This manual is currently under revision.

A designated section on the MCSO website provides detailed summaries of completed internal affairs investigations. The PSB identified data fields for public disclosure: IA number, Date Opened, Incident Type, Original Complaint, Policy Violation, Alleged Outcome, Discipline, Investigative Summary, and Date Completed. PSB began publishing on the website detailed summaries of completed internal affairs investigations in April 2017.

Paragraph 253. *The MCSO Bureau of Internal Oversight shall produce a semi-annual public audit report regarding misconduct investigations. The second semi-Annual inspection methodology is currently being developed collaboratively with the Monitor.

Paragraph 254. *The Sheriff shall initiate a testing program designed to assess civilian complaint Intake. Specifically, the testing program shall assess whether employees are providing civilians appropriate and accurate information about the complaint process and whether employees are notifying the Professional Standards Bureau upon the receipt of a civilian complaint.*

Based on the Monitor's 14th Quarterly Report MCSO is not in Phase 1 or Phase 2 compliance. In Order to achieve Phase 1 compliance, the following policies must be finalized:

- GH-4, *Bureau of Internal Oversight* (Published 12/14/2016)

MCSO has developed the methodology for complaint intake testing after sending several submittals to the Monitor Team, who in turn provided helpful suggestions and feedback regarding verbiage and procedures. With assistance from the Monitor and the Department of Justice (DOJ), outside vendors have been established for complaint intake testing. MCSO is in the process of incorporating the complaint intake testing methodology into the Operations Manual.

After a competitive bid process MCSO selected two vendors, the Arizona Fair Housing Center, and Progressive Management Resources to conduct complaint intake testing for MCSO. The Arizona Fair Housing Center was selected for the in-person testing and Progressive Management Resources was selected for the phone, mail, email, and website testing. MCSO is continuing to work with the vendors, the Monitor, and the parties to develop acceptable testing methodologies and memorialize precisely how the testing program will work.

The PSB and the Monitor meet weekly to discuss existing and incoming CRM complaints in an appropriate location within MCSO Headquarters. The PSB also provided to the Monitor access to IA Pro to complete independent case reviews.

MCSO Policy GC-17, *Employee Disciplinary Procedures* and GH-2, *Internal Investigations* were approved and subsequently published on May 18, 2017. MCSO is diligently working on completing the applicable operation manuals.

Paragraph 286. *Should the Monitor believe that a matter should be criminally investigated, he shall follow the procedures set forth in ¶¶ 229–36 above. The Commander of the Professional Standards Bureau shall then either confidentially initiate a Professional Standards Bureau criminal investigation overseen by the Monitor or report the matter directly and confidentially to the appropriate prosecuting agency. To the extent that the matter may involve the Commander of the Professional Standards Bureau as a principal, the Monitor shall report the matter directly and confidentially to the appropriate prosecuting agency. The Monitor shall then coordinate the administrative investigation with the criminal investigation in the manner set forth in ¶¶ 229–36 above.*

Based on the Monitor's 14th Quarterly Report, MCSO is not in Phase 1 compliance. **MCSO is in Phase 2 compliance.**

In Order to achieve Phase 1 compliance, the following policies must be finalized:

- GH-2, *Internal Investigations* (Published 05/18/2017)
- Professional Standards Bureau Operations Manual, (currently under revision)

Upon issuance of the Second Amended Second Supplemental Injunction/Judgement Order, the PSB completed an initial review of all open administrative and criminal investigations and has consistently notified the Monitor in writing of any potential CRM's. The PSB Commander and the

Monitor meet on a weekly basis to discuss potential CRM's and those investigations that have been determined to be CRM's. The PSB also provided to the Monitor access to IA Pro to complete independent case reviews.

Pursuant to Paragraph 165, MCSO published MCSO Policies GH-2, Internal Investigations and GC-17, *Employee Disciplinary Procedure* in May of 2017. The PSB Operations Manual is currently under revision.

Paragraph 287. *Any persons receiving discipline for any Class Remedial Matters that have been approved by the Monitor shall maintain any right they may have under Arizona law or MCSO policy to appeal or grieve that decision with the following alterations:*

- a. *When minor discipline is imposed, a grievance may be filed with the Sheriff or his designee consistent with existing MCSO procedure. Nevertheless, the Sheriff or his designee shall immediately transmit the grievance to the Monitor who shall have authority to and shall decide the grievance. If, in resolving the grievance, the Monitor changes the disciplinary decision in any respect, he shall explain his decision in writing.*
- b. *disciplined MCSO employee maintains his or her right to appeal serious discipline to the Maricopa County Law Enforcement Merit System Council to the extent the employee has such a right. The Council may exercise its normal supervisory authority over discipline imposed by the Monitor.*

MCSO is in Phase 1 and Phase 2 compliance.

Paragraph 288. *The Monitor's authority over Class Remedial Matters will cease when both:*

- a. *The final decision of the Professional Standards Bureau, the Division, or the Sheriff, or his designee, on Class Remedial Matters has concurred with the Monitor's independent decision on the same record at least 95% of the time for a period of three years.*
- b. *The Court determines that for a period of three continuous years the MCSO has complied with the complaint intake procedures set forth in this Order, conducted appropriate internal affairs procedures, and adequately investigated and adjudicated all matters that come to its attention that should be investigated no matter how ascertained, has done so consistently, and has fairly applied its disciplinary policies and matrices with respect to all MCSO employees regardless of command level.*

Phase 1 compliance is not applicable for this Paragraph. **MCSO is in Phase 2 compliance.**

Paragraph 289. *To make the determination required by subpart (b), the Court extends the scope of the Monitor's authority to inquire and report on all MCSO internal affairs investigations and not those merely that are related to Class Remedial Matters.*

Based on the Monitor's 14th Quarterly Report, MCSO is not in Phase 1 or Phase 2 compliance. In Order to achieve Phase 1 compliance, the following policies must be finalized:

- CP-2, *Code of Conduct* (Published 01/06/2017)
- CP-3, *Workplace Professionalism* (Published 12/15/2016)
- CP-5, *Truthfulness* (Published 12/21/2016)
- CP-11, *Anti-Retaliation* (Published 12/01/2016)
- GC-16, *Employee Grievance Procedures* (Published 01/06/2017)

- GC-17, *Employee Disciplinary Procedure* (Published 05/18/2017)
- GH-2, *Internal Investigations* (Published 05/18/2017)
- Compliance Division Operations Manual (currently under revision)
- Professional Standards Bureau Operations Manual, (currently under revision)

MCSO is diligently working on completing the applicable operation manuals. The associated policies have been approved and published.

Paragraph 292. *To make this assessment, the Monitor is to be given full access to all MCSO internal affairs investigations or matters that might have been the subject of an internal affairs investigation by the MCSO. In making and reporting his assessment, the Monitor shall take steps to comply with the rights of the principals under investigation in compliance with state law.*

While the Monitor can assess all internal affairs investigations conducted by the MCSO to evaluate their good faith compliance with this Order, the Monitor does not have authority to direct or participate in the investigations of or make any orders as to matters that do not qualify as Class Remedial Matters.

Phase 1 compliance is not applicable for this Paragraph. **MCSO is in Phase 2 compliance.**

The PSB has provided the Monitor access to the IA Pro database; the Monitor has periodically audited and reviewed the IA Pro system and hard copy file rooms; is provided all closed investigations on a monthly basis; and is provided a list of new administrative investigations monthly. Additionally, the PSB Commander and Monitor meet weekly to discuss Class Remedial Matters; and to provide updates on both administrative and criminal investigations.

Paragraph 300. *The following potential misconduct is not sufficiently related to the rights of the members of the Plaintiff class to justify any independent investigation:*

- Uninvestigated untruthful statements made to the Court under oath by Chief Deputy Sheridan concerning the Montgomery investigation. (Doc. 1677 at ¶ 385).*
- Uninvestigated untruthful statements made to the Court under oath by Chief Deputy Sheridan concerning the existence of the McKessy investigation. (Id. at ¶ 816).*
- Chief Deputy Sheridan's untruthful statements to Lieutenant Seagraves made during the course of an internal investigation of Detective Mackiewicz to the effect that an investigation into the overtime allegations against Detective Mackiewicz had already been completed. (Id. at ¶ 823).*
- Other uninvestigated acts of misconduct of Chief Deputy Sheridan, Captain Bailey, Sergeant Tennyson, Detective Zebro, Detective Mackiewicz, or others that occurred during the McKessy investigation. (Id. at ¶¶ 766–825).*

Phase 1 compliance is not applicable for this Paragraph. Phase 2 compliance is deferred at this time.

Paragraph 337. *Nevertheless, when discipline is imposed by the Independent Disciplinary Authority, the employee shall maintain his or her appeal rights following the 1 imposition of administrative discipline as specified by Arizona law and MCSO policy with the following exceptions:*

- a. *When minor discipline is imposed, a grievance may be filed with the Sheriff or his designee consistent with existing MCSO procedure. Nevertheless, the Sheriff or his designee shall transmit the grievance to the Monitor who shall have authority to decide the grievance. If in resolving the grievance the Monitor changes the disciplinary decision in any respect, he shall explain his decision in writing.*
- b. *A disciplined MCSO employee maintains his or her right to appeal serious discipline to the Maricopa County Law Enforcement Merit System Council to the extent the employee has such a right. The Council may exercise its normal supervisory authority over discipline imposed by the Independent Disciplinary Authority with one caveat. Arizona law allows the Council the discretion to vacate discipline if it finds that the MCSO did not make a good faith effort to investigate and impose the discipline within 180 days of learning of the misconduct. In the case of any of the disciplinary matters considered by the Independent Disciplinary Authority, the MCSO will not have made that effort. The delay, in fact, will have resulted from MCSO's bad faith effort to avoid the appropriate imposition of discipline on MCSO employees to the detriment of the members of the Plaintiff class. As such, the Council's determination to vacate discipline because it was not timely imposed would only serve to compound the harms imposed by the Defendants and to deprive the members of the Plaintiff class of the remedies to which they are entitled due to the constitutional violations they have suffered at the hands of the Defendants. As is more fully explained above, such a determination by the Council would constitute an undue impediment to the remedy that the Plaintiff class would have received for the constitutional violations inflicted by the MCSO if the MCSO had complied with its original obligations to this Court. In this rare 1instance, therefore, the Council may not explicitly or implicitly exercise its discretion to reduce discipline on the basis that the matter was not timely investigated or asserted by the MCSO. If the Plaintiff class believes the Council has done so, it may seek the reversal of such reduction with this Court pursuant to this Order.*

MCSO is in Phase 1 and Phase 2 compliance.

Section 12: Conclusion

This report covers the fourth quarter of 2017 (October 1, 2017- December 31, 2017) and attempts to both quantitatively and qualitatively highlight MCSO's compliance efforts and achievements during this specific rating period.

The MCSO has made great strides towards compliance this past quarter. Guided by a commitment to law enforcement best practices, procedural justice, and constitutional, and bias-free policing, the MCSO will continue to focus efforts towards achieving the goal of "Full and Effective Compliance" as the Court's Order defines it.

The end of this rating period also marks the first full year of Sheriff Penzone's administration. Since taking office, Sheriff Penzone has made compliance with the *Melendres* Court Orders a priority. The MCSO continues to work collaboratively with the Monitor, American Civil Liberties Union, and the Department of Justice to achieve compliance. Upon taking office in January of 2017, Sheriff Penzone created the Compliance Bureau, headed by the Chief of Staff/Special Counsel and Executive Chief. The Compliance Bureau consolidated many division and units working to ensure the MCSO was operating more efficiently and effectively and prioritized within the MCSO on the same level as the Enforcement and Custody Bureaus. Sheriff Penzone recognizes that gaining full and effective compliance with the Orders will ensure MCSO is following the best police practices, thus making the MCSO a leader in the profession. The concentrated emphasis on compliance has benefited MCSO and the vast, diverse community it serves. This past year, Sheriff Penzone has overseen substantial gains in compliance.

Part of the renewed collaboration Sheriff Penzone implemented paved the way for the MCSO hold bi-weekly telephonic compliance conferences with the Plaintiffs and Plaintiff Intervenors. These meetings have allowed the MCSO to enhance its communication level to elevate collaboration on various subjects and tasks. The time commitment and feedback received thus far is greatly appreciated.

A suggestion from these meetings that the MCSO has adopted is the development of an annual compliance calendar. This calendar highlights important tasks, projects and deadlines so as to more effectively spread out the larger compliance tasks over the course of the year. The calendar can also assist the Parties and Monitoring Team with awareness of upcoming tasks. The Bureau of Internal Oversight, the Training Division, the Court Implementation Division and the Professional Standards Bureau all contribute to this calendar.

As mentioned throughout this report, in August of 2017, the First Order was amended at MCSO's request in order to restore the community engagement responsibilities back to MCSO. This included working with the Community Advisory Board (CAB) to obtain community input into *Melendres* related compliance and to receive recommendations about policies and practices that can increase community trust.

The CAB has provided various recommendations to the MCSO on an array of topics thus far and provided input and feedback on training and the Fair and Impartial Policing Plan. One recommendation the CAB provided is in regards to the MCSO website. It was suggested MCSO translate the website into Spanish rather than utilizing the standard internet based translator tool. It was based upon this recommendation MCSO began exploring this possibility and to date is now developing an English and Spanish version Court Compliance webpage.

In the first quarter of 2018, the MCSO continues to diligently work on finalizing several operation manuals that are currently under revision. While MCSO generally practices the requirements of

the Orders, and has appropriate policies to guide its employees, the completion of the various operation manuals is a priority. The completion of these manuals will assist MCSO in achieving Phase 1 compliance in several paragraphs.

The Training Division is also attentively working to update the various lessons plan for 2018. Work has already begun to complete the 2018 annual disciplinary review of training instructors and Field Training Officers during the 1st quarter of 2018. At the end of this quarter Training personnel also successfully transitioned MCSO from the E-Learning and E-Policy system to the new HUB training system.

It is the continued efforts by MCSO such as these and those mentioned throughout this report that demonstrates MCSO's commitment to its employees, the community, and the Court Orders.
